### Editorial Review

From Publishers Weekly

A controversial New York City judge (dubbed "Turn 'em Loose Bruce" by tabloid critics), Wright here presents an attack on the criminal court system that is certain to infuriate many. His major contention is that, in a system where most judges are white and most defendants black, judges are "ignorant of and indifferent to the debased reality of those who are judged." The book, a hodgepodge of autobiographical experiences and reflections, is so poorly organized that Wright never fully develops his argument. Instead, he offers random accounts of painful racial episodes that he has experienced or observed in the courtroom and elsewhere. Topics range from relations between blacks and Jews, to conflicts with New York City police over his lenient bail policies. Recalling his days as a young lawyer with the "naive ideal" that he could help blacks, Wright is pessimistic and half-hearted in suggesting that better education of potential judges in racial aspects of U.S. history might improve the situation depicted here.

### Users Review

**From reader reviews:**

**Marilyn Washington:**

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each book has different aim or maybe goal; it means that e-book has different type. Some people sense enjoy to spend their time and energy to read a book. They are really reading whatever they have because their hobby will be reading a book. How about the person who don't like reading through a book? Sometime, individual feel need book if they found difficult problem or maybe exercise. Well, probably you will want this Black Robes, White Justice.

**Dennis Bloom:**

Reading a reserve tends to be new life style within this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire their own reader with their story or their experience. Not only situation that share in the books. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on this planet always try to improve their proficiency in writing, they also doing some study before they write to the book. One of them is this Black Robes, White Justice.

**Francisco London:**

This Black Robes, White Justice is great book for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great organize word or we can state no rambling sentences inside. So if you are

read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with attractive delivering sentences. Having Black Robes, White Justice in your hand like obtaining the world in your arm, info in it is not ridiculous just one. We can say that no book that offer you world within ten or fifteen moment right but this publication already do that. So , it is good reading book. Hi Mr. and Mrs. busy do you still doubt which?

**Erik Hilyard:**

In this era which is the greater person or who has ability in doing something more are more valuable than other. Do you want to become considered one of it? It is just simple solution to have that. What you need to do is just spending your time not much but quite enough to enjoy a look at some books. One of many books in the top record in your reading list is actually Black Robes, White Justice. This book that is certainly qualified as The Hungry Hillsides can get you closer in turning out to be precious person. By looking upward and review this book you can get many advantages.
