Glitter & Doom (Red Death) By Bethany Griffin

A 50-page, digital-only novella set in the world of Bethany Griffin's dark and haunting retelling of the classic Edgar Allan Poe story *Masque of the Red Death*. When a rich teenage girl who spends her nights in the most desirable club and a smart, young inventor meet, they might have more in common than they know.

April, niece to the dying city's cruel dictator, is Araby Worth's glittery and frivolous best friend. But she's more than she appears. And when she disappeared in *Masque of the Red Death*, where did she go? This short novella answers that question, taking us deep underneath the crumbling city, where April crosses paths with Kent, the serious young inventor who is key to rebellion. *Glitter & Doom* is a story of chilling action, of spies, and of surprising love. Can love be anything but doomed in a city that's burning down around its survivors?

A dark, unnerving story about two of the most fascinating characters from *Masque of the Red Death*.
