Lacan and the Political (Thinking the Political) By Yannis Stavrakakis

The work of Jacques Lacan is second only to Freud in its impact on psychoanalysis. Yannis Stavrakakis clearly examines Lacan's challenging views on time, history, language, alterity, desire and sexuality from a political standpoint. It is the first book to provide an overview of the social and political implications of Lacan's work as a whole for students coming to Lacan for the first time.

The first part of *Lacan and the Political* offers a straightforward and systematic assessment of the importance of Lacan's categories and theoretical constructions for concrete political analysis. The second half of the book applies Lacanian theory to specific examples of widely discussed political issues, such as Green ideology, the question of democracy and the hegemony of advertising in contemporary culture.

Users Review

From reader reviews:

Glenn Flinchum:

Hey guys, do you really wants to finds a new book to study? May be the book with the subject Lacan and the Political (Thinking the Political) suitable to you? The book was written by famous writer in this era. The particular book untitled Lacan and the Political (Thinking the Political)is the one of several books which everyone read now. This book was inspired many men and women in the world. When you read this publication you will enter the new shape that you ever know prior to. The author explained their thought in the simple way, thus all of people can easily to know the core of this reserve. This book will give you a great deal of information about this world now. In order to see the represented of the world within this book.

Joyce Matchett:

Spent a free a chance to be fun activity to complete! A lot of people spent their down time with their family, or all their friends. Usually they carrying out activity like watching television, gonna beach, or picnic in the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Could possibly be reading a book may be option to fill your free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to test look for book, may be the publication untitled Lacan and the Political (Thinking the Political) can be good book to read. May be it could be best activity to you.

Spencer Fuentes:

Precisely why? Because this Lacan and the Political (Thinking the Political) is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who have write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking approach. So , still want to delay having that book? If I were being you I will go to the guide store hurriedly.

Henry Buford:

That reserve can make you to feel relax. That book Lacan and the Political (Thinking the Political) was vibrant and of course has pictures on there. As we know that book Lacan and the Political (Thinking the Political) has many kinds or style. Start from kids until young adults. For example Naruto or Private eye Conan you can read and think you are the character on there. So , not at all of book usually are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading that.
