It's 1950, and as the French Quarter of New Orleans simmers with secrets, seventeen-year-old Josie Moraine is silently stirring a pot of her own. Known among locals as the daughter of a brothel prostitute, Josie wants more out of life than the Big Easy has to offer. She devises a plan get out, but a mysterious death in the Quarter leaves Josie tangled in an investigation that will challenge her allegiance to her mother, her conscience, and Willie Woodley, the brusque madam on Conti Street.

## Editorial Review

Amazon.com Review

**Amazon Best Books of the Month, February 2013:** The French Quarter of New Orleans in the 1950's calls from the pages of *Out of the Easy*, beckoning readers to enter a society of madams and debutantes, secrets and desires. "Sometimes we set off down a road thinkin' we're going one place and we end up another." So it is for Josie Moraine, the daughter of a prostitute rooted in the underworld of the Quarter. Josie wants, more than anything, to trade in the dangerous hand of jokers and pimps her mother laid out, for one filled with books and a life away from the Big Easy. Populated by complex characters you come to love or loathe, but either way can't stop thinking about (even months later), Sepetys beautifully delivers romance and menace in equal parts and what looks to be a predictable ending turns out to be anything but. --*Seira Wilson*

From School Library Journal

Gr 9 Up—Against a vivid 1950s New Orleans backdrop, 17-year-old Josie Moraine is caught between the harsh reality of her negligent, prostitute mother's lifestyle and her desire to escape to a new life. Josie is smart, resourceful, and determined. Her support group includes Willie, the shrewd brothel madam who recognizes Josie's potential; Cokie, Willie's kind and devoted driver; Patrick, who runs the bookshop where Josie works; Charlotte, an upscale acquaintance who encourages Josie to join her at Smith College; and Jesse, the handsome motorcyclist neighbor who has eyes only for Josie. When a mysterious death leads police to Josie's mother and abusive boyfriend, the teen is drawn into the investigation and into an underworld of threats, violence, and retribution. After her mother skips town, Josie is targeted to repay her debt to a powerful criminal boss. As she tries to handle mounting adversity on her own, she struggles with fear, desperation, and her conscience. Stealing from Willie or hooking up with a wealthy john seem her only choices for survival. Overwhelmed, she reveals her predicament to Willie, who saves her in a final act of generosity. Josie's narrative features a Dickensian array of characters; the mystique, ambience, and language of the French Quarter; a suspenseful, action-packed story; and a coming-of-age realization that personal decisions ultimately shape one's future. With dramatic and contextual flair, Sepetys introduces teens to another memorable heroine.—Gerry Larson, formerly at Durham School of the Arts, NCα(c) Copyright 2011. In a radical departure from her first novel, *Between Shades of Gray* (2011), Sepetys' second is partially set in a 1950s New Orleans brothel where Josie's mother works as a prostitute. Humiliated, the 18-year-old fears she is destined "for nothing more than a crummy life skirting the New Orleans underworld." That underworld looms larger when a murder occurs and it appears Josie's mother may be complicit. Josie's dream is to go to Smith College, but even if she is admitted, how will she pay for it? Meanwhile, she finds herself attracted to two very different young men: her best friend, clean-cut Patrick, with whom she works at his father's bookstore, and "quietly mysterious" biker Jesse. Complicated? You bet! Sepetys' latest strongly evokes 1950s radio soap operas, but despite over-the-top emotional pitch and stereotypical characters, this is nevertheless a page-turner that noir romance fans will gobble up like popcorn shrimp. **HIGH-DEMAND BACKSTORY:** The legions of fans that Sepetys earned with her best-selling debut novel will all be lining up for this.
