Surrender to a Wicked Spy (The Royal Four, Book 2) By Celeste Bradley

They are known simply as The Royal Four—but there's nothing simple about the elite band of spies who serve the King in secrecy. Their missions are dangerous, their love lives are scandalous...and each man in the Royal Four has his own secrets. This is the story of the spy known as The Lion...

SURRENDER TO A WICKED SPY Olivia Calwell's new husband, Dane, is everything she could have ever hoped for in a man. The handsome Lord Greenleigh is charming, debonair, even a bit mysterious...and just thinking of their wedding night makes Olivia blush with pleasure. Yet she can't help but wonder what *exactly* Dane does all day. His hushed meetings with strangers, his odd comings and goings—it is all enough to drive Olivia mad! Could her beloved husband be involved in something dangerous? Could he even be spying *for France*?

Spy Dane Calwell knows the new Lady Greenleigh is poised, well educated, and utterly captivating. But he's just discovered that Olivia is also the most curious creature he has ever met! Most wives don't give a whit what their husbands do all day. Why must Olivia ask so many questions—and meddle in matters that do not concern her? Truth be told, Dane finds Olivia's amateur sleuthing enchanting...even a little sexy. But when Olivia gets too close to the mission at hand, Dane must try to stop her before it's too late—or risk losing his beautiful wife forever...

As his set's most eligible bachelor, Dane Calwell is used to women throwing themselves at him, but Olivia Cheltenham is the first to rescue him. Enchanted by the sensible, plain-speaking, bewitchingly different Olivia, Dane immediately proposes, hoping that their marriage might work in spite of his rather unusual "problem." Olivia could not be more in love with her big, gorgeous, blond Viking of a husband, so when Dane ultimately reveals the true nature of his "problem," Olivia is more than willing to find a solution to the challenge it presents. What does bother Olivia, however, are the number of secret meetings Dane attends and the snatches of conversation Olivia overhears that hint that Dane may be involved in something so dangerous it could destroy their blissful new marriage. Bradley continues to find creative and clever new ways to mix passion and intrigue in beguiling love stories, and the latest in her Royal Four series is another wickedly sensual, deliciously witty delight. *John Charles*
