Textbook of Psychiatry E-Book By Basant K. Puri, I. H. Treasaden

This is a new edition of a successful introductory textbook on the subject of psychiatry. Clearly written and rich in pedagogic features - such as summary boxes, clinical cases and other aid memoirs - this book is tailored to the learning needs of those entering the discipline for the first time. Particularly suitable for medical students, this book will also act as a 'primer' for post-graduates first entering the speciality with a view to a long-term career in the discipline.

- New edition of a well established text with a strongly pedagogic approach to the subject of psychiatry
- Logical writing style gives ready access to key information
- Includes many illustrations
- Contains practical examples throughout to demonstrate the importance of psychiatry to all areas of medicine
- Ideal for medical students and junior doctors
- Suitable as a 'primer' for specialist trainees entering the discipline for the first time

Enhanced discussion of the use of psychotherapy in line with current practice

Editorial Review

From a student review of the previous edition: "Being a medical student, you can only have a few weeks to study Psychiatry ... Puri's Pocket Essential of Psychiatry is probably the best for the beginner. The text is well structured, and diagnostic criteria for some important diseases, such as schizophrenia and BAD, are provided, while for some less important diseases the text is core and concise. The size is suitable for you to bring to the ward for grand rounds; when the professor is looking at the case notes, you can revise what you learn using this pocket-sized book. It makes your life easier during the Psychiatry module." Users

Review

From reader reviews:
Paul Henson: As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make these people keep up with the era which is always change and advance. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to a person is you don't know which you should start with.
