The Gift: Understand and Develop Your Psychic Abilities By Echo L. Bodine

For thirty-five years renowned teacher Echo Bodine has been using her psychic powers to help people heal and get more clarity about the important issues in their lives. Now she presents a clear guide to developing psychic abilities.

In the first part of the book, "What Does It Mean to be Psychic?" Echo shows us that being psychic is a gift of the spirit we all have. Then she helps dispel the fear many people carry about psychics. A lot of this fear comes from the Church, and it's based, as Echo puts it, on a profound misreading of the Bible. Echo says it best — with prose so simple and clear and inviting it's just like, as one reader put it, sitting down and having a cup of tea with Echo.
