### **Editorial Review**

From School Library Journal

Gr 3-6-This classic tale celebrates its 50th anniversary with a delightful audio rendition. Actor Michael York's reading is a perfect match for this story. The narration is clear and distinct, and York's soft and soothing British accent adds the right touch. Listeners will fall under the spell of this master storyteller as they join Peter, Edmund, Lucy and Susan on their travels. Beginning with Chapter One when Lucy looks into the wardrobe and discovers Narnia and the faun, readers will find that this timeless story can still work the magic that C.S. Lewis intended. In this action packed tale, the four children take part in several adventures as they travel through Narnia on their quest to rid the country of the Witch and her followers. Narnia fans will want to listen to this story over and over again, and new fans will be created as they listen for the first time.-Ginny Harrell, William McGarrah Elementary School, Morrow, GA

"If there's a natural successor to LOTR, then it's Andrew Adamson's first instalment in The Chronicles of Narnia saga. The long-awaited literary adaptation of C.S. Lewis's The Lion, The Witch And The Wardrobe will likewise make use of New Zealand's deep forests, snow-dusted mountains and craggy volcanic cliffs to replicate Narnia's magical landscape." Empire Magazine "The magic of C.S. Lewis's parallel universe never fades." The Times "When I was ten, I read fairy tales in secret. Now that I am fifty I read them openly. When I became a man I put away childish things, including the fear of childishness." C S Lewis
