**Tree Houses: Fairy Tale Castles in the Air** By Philip Jodidio

**Branching out: Childhood fantasy meets grown-up *savoir faire***

The idea of climbing a tree for shelter, or just to see the earth from another perspective, is surely as old as humanity. Tree houses are chronicled in ancient civilizations and their lore crosses through the history of every part of the world where trees grow. This stunningly-illustrated study offers **a tour of the best tree houses in the world**, some designed by architects, others the work of unknown craftsmen. A tea house, a restaurant, a hotel, a playhouse for children, or a perch from which to contemplate life—the tree house can take as many forms as the imagination can offer. In times of concern for sustainability and ecological responsibility, the tree house may also be the **ultimate symbol of life in symbiosis with nature**. Whether rustic or contemporary in style, tree houses make the most of space. Climb into this trove of tree houses and enjoy a new perspective on the world.

- 50 tree houses from around the world
- Covers all different styles, from romantic to modern
- Every house is depicted in several photos as well as one illustration by **artist Patrick Hruby** from Los Angeles (who also created the book's cover artwork)
- Helpful short biographies of all architects

Text in English, French, and German

## **Editorial Review**

### **About the Author**

Philip Jodidio (born 1954) studied art history and economics at Harvard, and edited *Connaissance des Arts* for over 20 years. His books include TASCHEN's *Architecture Now!* series, and monographs on Tadao Ando, Norman Foster, Richard Meier, Jean Nouvel, and Zaha Hadid. He is internationally renowned as one of the most popular writers on the subject of architecture.

## **Users Review**

### **From reader reviews:**

#### **Carl White:**

Book is usually written, printed, or illustrated for everything. You can learn everything you want by a reserve. Book has a different type. As you may know that book is important issue to bring us around the world. Next to that you can your reading skill was fluently. A reserve *Tree Houses: Fairy Tale Castles in the Air* will make you to always be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think which open or reading a new book make you bored. It is not make you fun. Why they may be thought like that? Have you searching for best book or suited book with you?

#### **Stacey Smith:**

As people who live in the particular modest era should be update about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and make progress. Some of you maybe may update themselves by examining books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what type you should start with. This *Tree Houses: Fairy Tale Castles in the Air* is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

#### **William Ward:**

On this era which is the greater individual or who has ability to do something more are more precious than other. Do you want to become considered one of it? It is just simple way to have that. What you should do is just spending your time little but quite enough to get a look at some books. One of many books in the top record in your reading list is *Tree Houses: Fairy Tale Castles in the Air*. This book which can be qualified as *The Hungry Hillside* can get you closer in turning into precious person. By looking right up and review this e-book you can get many advantages.

#### **Homer Gardner:**

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or to

make summary for some guide, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Tree Houses: Fairy Tale Castles in the Air can make you experience more interested to read.
