**Allie, First at Last** By Angela Cervantes

Allie Velasco wants to be a trailblazer.

A trendsetter.

A winner.

No better feeling exists in the world than stepping to the top of a winner's podium and hoisting a trophy high in the air. At least, that's what Allie thinks . . . she's never actually won anything before. Everyone in her family is special in some way -- her younger sister is a rising TV star; her brother is a soccer prodigy; her great-grandfather is a Congressional Medal of Honor winner.

With a family like this, Allie knows she has to make her mark or risk being left behind. She's determined to add a shiny medal, blue ribbon, or beautiful trophy to her family's award shelf. When a prestigious school contest is announced, Allie has the perfect opportunity to take first -- at last. There's just one small snag . . . her biggest competition is also her ex-best friend, Sara. Can Allie take top prize and win back a friend -- or is she destined to lose it all?

### Editorial Review

From School Library Journal

Gr 4–6—In this realistic middle grade novel, Cervantes introduces a Latina fifth grader, Alyssa, otherwise known as Allie, who is struggling to find her place and identity as the third of four siblings in a family full of successful, award-winning individuals. She considers herself a failure when compared to Harvard-bound Adriana; his soccer whiz older brother, Aiden; and his younger sister Ava, a TV commercial star. Yet this is only half of the family: Allie's mom is a news anchor, and her dad is a fireman. It seems that everyone has won trophies and completed "firsts"—even her great grandfather is famous as the only World War II recipient of the Congressional Medal of Honor alive in the state. Fifth grade can be rough, filled with changing relationships and an intense self-centered focus. Allie tries, but often fails, to be understanding when a new friend's help on her science fair project is a disaster and former best friend Sarah chooses the same topic for the Kansas Trailblazer Contest. The first-person narrative captures the disquieting feelings that often accompany the preteen years, including the protagonist's insights on her language proficiency and efforts to make the right decisions. VERDICT This will appeal to middle grade girls, particularly for independent reading.—Ruth Quiroa, National Louis University, IL

Review

"A sweet middle-grade read that promotes compassion and empathy over competitiveness. (*Fiction. 8-12*)" -- *Kirkus Review, Starred* (Dec. 2015)

"Laced with Mexican-American language and culture, this realistic drama is filled with gentle humor, big lessons, and even bigger heart. Cervantes's (*Gaby, Lost and Found*) earnest story may inspire a few readers to reach for 'epic greatness' themselves, while reminding them that the 'real rewards you can't put on a shelf.' Ages 8-12." -- Publisher's Weekly (Dec. 2016)

### Praise for *Gaby, Lost and Found*:

"A timely, touching and nuanced portrayal of real-life challenges experienced by children in mixed-status families." -- *Kirkus Reviews*

"An emotionally compelling story." – *School Library Journal*

"A tender debut that is heartbreak and heartwarming." -- Diana Lopez, author of *Confetti Girl*

"A timely and important story about immigration, deportation, and abandonment wrapped in a warm-hearted tale that will appeal to all." -- Sonia Manzano, Emmy Award-winning actress who plays "Maria" on *Sesame Street* and Pura Belpre Honor Award-winning author of *The Revolution of Evelyn Serrano*.
