Am I A Hindu? The Hinduism Primer By Ed Viswanathan

This gem of a book encapsulates the esoteric wisdom of one of humanity's oldest religions in an easy-to-understand conversational format. Covering the entire sweep of Hindu belief, answering questions Westerners ask about Hindu practice (like what exactly is the law of Karma and reincarnation? why do Hindu women wear a red dot on their forehead? and why do Hindus worship so many Gods?) answering life's most enduring questions has been hailed as a much-needed primer to this major religion.

Editorial Review

From Library Journal

This primer, serving some of the vast sweep of Hindu belief and practice, takes the form of dialog between a Hindu father and his American-born son. The son wants to understand his family's religious traditions and discover what is relevant for him today. The book is useful not only to American Hindus but to those who want a nontechnical introduction to Hinduism as lived today. The book also explains how Hinduism engages in dialog with Western science and culture. Recommended for large public libraries and undergraduate collections.

From the Publisher

The best introduction to the tenants of Hinduism I have yet read.

Users Review

From reader reviews:

Michael Wickham:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity with regard to spend your time.
