Editorial Review

From Publishers Weekly

In this sequel to *Swim with the Sharks Without Being Eaten Alive*, Mackay, a Minneapolis envelope-maker, issues a flood of no-nonsense business advice in the form of original aphorisms and short, germane examples, all delivered with high spirits and ever-bubbling humor. "The sale begins when the customer says yes," he declares. "ASTONISH them . . . get it there before you said you would . . ." Mackay offers detailed programs to motivate customers and employees, and tells success stories of consumer needs perceived and fulfilled--pantyhose shops, walk-in medical clinics. He also stresses the importance of entrepreneurial courage, such as his own insistence on lengthy titles for his books. First serial to *Success* magazine; BOMC and Fortune Book Club alternates.

From Library Journal

Like Mackay's previous best seller, *How To Swim with the Sharks Without Being Eaten Alive* (LJ 4/15/88), this work is filled with anecdotes and typical Mackay tips. Beginning with how to get a job, he uses hints and stories to show how to get ahead in the business world. The work is composed of 85 lessons broken into seven groupings, with each lesson usually only a couple of pages in length. Each grouping relates to specific aspects of a business career, e.g. "Harvey Mackay's Short Course on Getting Started" or "Working Your Way Up" or "Running the Show." In addition there are 35 "Quickies," usually a page or less in length, that explicate a point, e.g. "Find One Good Idea, and You Can Use It Forever." Sure to be a best seller.

Recommended for all business collections that include popular works. Previewed in *Prepub Alert*, LJ 9/1/89. -- *Michael D. Kathman, St. John's Univ., Collegeville, Minn.*
