Chaos Mage (Age of Darkness) By Stephen Aryan

The final book in the epic fantasy trilogy that began with Battlemage - expect fireball-filled battles, otherworldly enemies, and heroically powerful mages

Voechenka is a city under siege. Decimated by the Battlemage War, its dead now walk the city at night, attacking survivors, calling their names and begging the living to join them beyond the grave.

Tammy is a watchman sent to the city to investigate, so the ruling powers can decide whether to help Voechenka or leave it to its grisly fate.

Zannah is a pariah in Voechenka - making up for her people's war crimes by protecting refugees who fear her far more than they fear their unearthly attackers.

Balfruss is a scholar, a traveler . . . and the infamous mage who single-handedly ended the war.

No one else may enter or leave the city - so if this ragtag group of survivors can't figure out what is going on, they'll live out their last few, short days within its walls.

And night is coming on fast . . .
