Daddy Moonshine: The Story of Marvin "Popcorn" Sutton From Sky Sutton

Sky Sutton is a New England historian raised in Massachusetts. Researching her paternal genealogy for over a decade, she discovered her biological father is a notorious - and quite famous - backwoods moonshiner from the Appalachian mountains of Tennessee and North Carolina. "Daddy Moonshine" is the story of Sky Sutton's journey to uncover a family history so different from her own experience, and to understand her ornery, sometimes brilliant, and often quite dangerous renegade father; the one and only Marvin "Popcorn" Sutton. "Daddy Moonshine" is the story of Sutton's father, moonshine and mountains- and of the culture and people who have lived in those wild, beautiful heights for generations. From finding possums in the mash to sh*tting out his own teeth, Marvin "Popcorn" Sutton has lead the life of a true Appalachian moonshiner. As the last of a dying breed Sutton has lived close to the earth and on his own terms as few other modern Americans would dare.
