Dear Bunny, Dear Volodya: The Nabokov-Wilson Letters, 1940-1971, Revised and Expanded Edition From University of California Press

Simon Karlinsky has substantially expanded and revised the first edition of Vladimir Nabokov and Edmund Wilson's correspondence to include fifty-nine letters discovered subsequent to the book's original publication in 1979. Since then, five volumes of Edmund Wilson's diaries have been published, as well as a volume of Nabokov's correspondence with other people and Brian Boyd's definitive two-volume biography of Nabokov. The additional letters and a considerable body of new annotations clarify the correspondence, tracing in greater detail the two decades of close friendship between the writers.

Editorial Review

Review

"The correspondence ends abruptly in 1965, when Wilson's harsh review of Nabokov's translations of Pushkin led to a prolonged public feud. But in 1971, Nabokov has been rereading the correspondence and sends a melancholy note-'It was such a pleasure to feel again; that constant excitement of art and intellectual discovery.' In this new, expanded paperback edition of the letters, it is an excitement every reader can share."--"Newsday

From the Inside Flap

praise for the first edition:

"When two such brilliantly ebullient intellectuals get together by mail, they charge the air with all sorts of pyrotechnics."—Carlos Baker, author of *Hemingway*

From the Back Cover

praise for the first edition:

"When two such brilliantly ebullient intellectuals get together by mail, they charge the air with all sorts of pyrotechnics."--Carlos Baker, author of "Hemingway"

Users Review

From reader reviews:

Toni Styer:
