Down by Law (Throwback Diaries) By Ni-Ni Simone

Lesson #1: You come for me, I come back even harder for you. Fair exchange. No robberies.

Isis Carter got schooled early on in surviving the streets. When some girls put a beatdown on her, she took back what was hers. When her brother was killed and her mom, Queenie, bailed, Isis fought to stay strong. And when her dad abandoned her for his new family, sixteen-year-old Isis buried the hurt by looking out for herself—and hookin' up with bad boy Fresh...until a run-in with the law shatters Isis's world and threatens to destroy her future.

Now the only person Isis can rely on is herself...until her secret crush K-Rock steps in. But when Isis lets her guard down, will she be given a second chance to get her life straight or will it cost her everything?

Editorial Review

Review

“Readers will be caught up in the melodrama... The book is filled with great banter among the characters and captures the spirit of life at a big city university. Teens will enjoy the latest chapter in this urban heroine’s story.”

—*School Library Journal* on *True Story*
