Jinxed (Karma) (Volume 2) By *Donna Augustine*

Karma, it's what they call me and the very essence of who I am. When I died young, I was recruited by the agency that keeps the Universe running smoothly. As someone with a human past, most of my coworkers consider me inferior.

But not everyone. Something evil has been stalking me for centuries. It's been biding its time, waiting for the moment when it will strike and it needs me to do it. Its methods of recruitment are tearing apart every aspect of my life. I'm slowly losing myself, both mentally and physically. I don't know who I can count on but I am finding out how much I'm willing to sacrifice to save the ones I care about.

Reading Order:

1. Karma (72,000 word urban fantasy)
2. Jinxed (77,000 word urban fantasy)
