Editorial Review

Review

This amazing book shows you how to quickly tap into the technology at your fingertips, increase your income, simplify your life, and achieve all your goals. -- Brian Tracy, author of The Way to Wealth Even if you are a total technophobe and you have never run a business in your life, this book will give you all the tools you need to start and run a successful online business. There is very helpful and easy-to-read business tips such as how to outsource a lot of your work and where to go for the best workers, how to discipline yourself to do the work, and how to create a money- making website from scratch in just a few hours. Greg and Fiona are clearly writing from their own experience. They've been there, done it, and now want you to follow in their footsteps. -- Britain's Top Money-Saving Expert, Jasmine Birtles, Moneymagpie.com Living a Laptop Lifestyle is without a doubt THE book you need to start reading right now, immediately today. If you are serious about getting started in your own online business, you need to get the proper information right from the start and this is it. Don't wait, start reading it right now! -- Armand Morin, ArmandMorin.com I believe we're now living in an entrepreneur revolution. If you have a computer, a phone, and a passion, you're already standing on a mountain of value. Greg & Fiona have prepared a pragmatic, vital guide on how to make the most of it. Get started today. -- Daniel Priestley, KeyPersonOfInfluence.com The 21st century marks a time in history when people can have choice. Never before has it been easier to start your own business and grow a global network of advocates, fans and customers. We all know people who are disengaged and disenchanted with their work, roles and future. Breaking free takes courage and it takes a set of skills that you are not born with - 'entrepreneurialism' can be learnt, it is the mindset and desire that has to be unlocked from within you. It is now possible to be an entrepreneur and make changes to your life that will financially and emotionally shift you into a new way of living. The most critical human need has to be one of 'being in control' of your time, decisions and life. In this book Greg and Fiona share their journey, passion and determination; two people who can now share their new found knowledge, in real time and in real words. To me the best way to learn is from real people! -- Penny Power, Ecademy.com If you have a big dream for a prosperous future and want to make something of your life, with more choice for you and your family, and you're ready to invest in yourself, then this book is the best start you could get. It's jam-packed with practical, real world advice. A must read. -- Andy Harrington, AndyHarrington.co.uk Everything in Living a Laptop Lifestyle is solid, powerful information. I've had the pleasure of working with Greg & Fiona and I can say they are two sharp cookies who give great advice and also are backed with strong ethics. When you combine powerful information with integrity you can go a long ways. I recommend this book to anyone who wants to go from good to better or beyond! -- Jason Fladlien, JMFlad.com Change your Thinking and it will Change your Life' - Greg and Fiona have nailed this in Living a Laptop Lifestyle. This book is an indispensable bible for getting started online whether you currently have a small business or not. -- Mark Anastasi, author of The Laptop Millionaire Greg and Fiona Scott's excellent book shares unique insights into their journey from being made redundant to making money online and living the laptop lifestyle: working with a laptop where they want, when they want, and how often they want. I would highly recommend it! -- Stuart Ross, StuartRoss.com Greg and Fiona are action takers and lead by example. When I worked with them in my coaching group, I particularly enjoyed their 'can do' attitude and their passion for sharing their experiences and breakthroughs with the group. They dream big and never give up. Their book is just another testimony of their commitment and I recommend you check it out. Whether you're a total beginner or already successful online, their experience will inspire you and enrich your own journey. -- Daniel Wagner, DanielWagner.com

About the Author

Greg and Fiona Scott specialize in helping individuals who want to establish or enhance their online business

to get comfortable with technology and marketing. Fiona was a Chartered Accountant for 22 years so understands business and Greg's background is in web development for large corporations. They eventually recognized that they needed a change in direction, so combined their expertise and set up their own online business. They weathered the pitfalls, mastered marketing and technology and now have a significant online presence. They've produced two online products and have built over 150 websites for themselves and their customers; including GregAndFionaScott.com, M1K1Mo.com and InternetLifestyleStarterKit.com. They also run regular two day fast track workshops in London for newcomers to doing business online. Greg and Fiona created the 'Five Steps To Success' Model to clearly define the path to be followed by budding entrepreneurs wanting to live a life on their terms, full of choice. They're both native New Zealanders, now living in the UK, so possess a helpful dose of the typical Kiwi 'can-do' attitude. They're grateful to be living the internet laptop lifestyle allowing them to make money online, so can work whenever, and wherever in the world, they choose.

Users Review

From reader reviews:

George Green:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them family or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or maybe playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a book. It is really fun for you.
