**Natural Born Charmer (Chicago Stars Series Book 7)** By Susan Elizabeth Phillips

Chicago Stars quarterback Dean Robillard is the luckiest man in the world: a bona-fide sports superstar and the pride of the NFL with a profitable side career as a buff billboard model for End Zone underwear. But life in the glory lane has started to pale, and Dean has set off on a cross-country trip to figure out what's gone wrong. When he hits a lonely stretch of Colorado highway, he spies something that will shake up his gilded life in ways he can't imagine. A young woman . . . dressed in a beaver suit.

Blue Bailey is on a mission to murder her ex. Or at least inflict serious damage. As for the beaver suit she's wearing . . . Is it her fault that life keeps throwing her curveballs? Witness the expensive black sports car pulling up next to her on the highway and the Greek god stepping out of it.

Blue's career as a portrait painter is the perfect job for someone who refuses to stay in one place for very long. She needs a ride, and America's most famous football player has an imposing set of wheels. Now, all she has to do is keep him entertained, off guard, and fully clothed before he figures out exactly how desperate she is.

But Dean isn't the brainless jock she imagines, and Blue—despite her petite stature—is just about the toughest woman Dean has ever met. They're soon heading for his summer home where their already complicated lives and inconvenient attraction to each other will become entangled with a charismatic but aging rock star; a beautiful fifty-two-year-old woman trying to make peace with her rock and roll past; an eleven-year-old who desperately needs a family; and a bitter old woman who hates them all.

As the summer progresses, the wandering portrait artist and the charming football star play a high-stakes game, fighting themselves and each other for a chance to have it all.

*Natural Born Charmer* is for everyone who's ever thought about leaving their old life in the dust and never looking back. Susan Elizabeth Phillips takes us home

again . . . and shows us where love truly lives.

### Editorial Review

From Publishers Weekly

Veteran narrator Anna Fields (whose real name was Kate Fleming) died recently, and this audiobook—one of her final performances—shows just what a loss her passing is to the industry. This quirky romance full of eccentric, colorful characters is a perfect showcase for her talent. She creates distinctive, believable voices that bring the characters to life: the slow, deep drawl of football star Dean Robillard and the feisty, sarcastic tone of Blue Bailey, the down-on-her-luck wanderer he picks up on the road. There's also the timid, innocent, anxious-to-please quaver of 11-year-old Riley, whose irresponsible rock star dad also fathered Dean, and the crotchety, elderly, Brooklyn-tinged voice of Nina, the mean-spirited old woman who owns the small town they all end up in. Field's wonderful performance elevates the material and makes this romance even more entertaining on audio than it is in print.

After her ex-boyfriend Monty insists that she is the only person he ever loved, Blue Bailey packs up everything she has (which isn't much) and moves from Seattle to Colorado to be with him. But once Blue arrives, she discovers Monty has found love again with a younger, blonder new girlfriend. With few job options and practically no money, Blue thought she might be stuck in Colorado for a long time, until Dean Robillard drives through on his way to Tennessee. The last person Blue wants to ask for a favor is a way-too-gorgeous-for-his-own-good stranger who annoys her to no end. And who turns out to be the quarterback for the Chicago Stars. But Dean is Blue's only ticket out, even if it means she is stuck with him all the way to Tennessee. RITA Award-winner Phillips creates yet another classic romance in her loosely connected Chicago Stars series with this splendidly satisfying tale of love, family, and redemption. Generously seasoned with plenty of tart humor and snappy dialogue, and graced with a delightfully amusing pair of protagonists trying desperately not to fall in love, *Natural Born Charmer* is simply irresistible. *John Charles*
