Praxis der Dialyse (German Edition) By Steffen Geberth, Rainer Nowack

Dialyse – medizinisch und organisatorisch optimiert

Dialyse, eine lebensrettende, komplexe, oft langfristig angewendete Therapie. Umso wichtiger ist es, Dialyse-Verfahren, Dauer und Behandlungsfrequenz an die individuellen Bedürfnisse der Patienten anzupassen.

Alles Wesentliche

- Diagnostik/Verlaufskontrolle
- Therapieoptionen und –strategien
- Technik

Relevante Besonderheiten

- Umgang mit Komplikationen und typischen Problemen
- Besonderheiten bei speziellen Patientengruppen (Diabetes, Schwangerschaft, älteren, multimorbide Patienten)

Praktisches Management

- Qualitätsmanagement im Dialysezentrum
- Praxistipps und Hinweise auf häufige Fehler

Ausführliche Pharmatabelle mit Dosisanpassungen bei Niereninsuffizienz

Nach den Leitlinien

- NKF KDOQI™, KDIGO)
- EDTA European Best Practice Guidelines (EBPG)
- DGfN Deutsche Gesellschaft für Nephrologie

Users Review

From reader reviews:

Shannon Blackshear:

This Praxis der Dialyse (German Edition) tend to be reliable for you who want to be a successful person, why. The key reason why of this Praxis der Dialyse (German Edition) can be one of several great books you must have is definitely giving you more than just simple studying food but feed you with information that might be will shock your earlier knowledge. This book will be handy, you can bring it almost everywhere and whenever your conditions throughout the e-book and printed ones. Beside that this Praxis der Dialyse (German Edition) forcing you to have an enormous of experience for instance rich vocabulary, giving you tryout of critical thinking that we understand it useful in your day activity. So , let's have it and enjoy reading.

Doris McNeal:

Spent a free a chance to be fun activity to try and do! A lot of people spent their free time with their family, or their own friends. Usually they undertaking activity like watching television, likely to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Could possibly be reading a book may be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try out look for book, may be the guide untitled Praxis der Dialyse (German Edition) can be excellent book to read. May be it is usually best activity to you.

Amanda Lara:

A lot of people always spent their own free time to vacation as well as go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity this is look different you can read some sort of book. It is really fun for you. If you enjoy the book you read you can spent 24 hours a day to reading a publication. The book Praxis der Dialyse (German Edition) it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. When you did not have enough space bringing this book you can buy often the e-book. You can m0ore effortlessly to read this book through your smart phone. The price is not to fund but this book features high quality.

Effie Peoples:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Praxis der Dialyse (German Edition) can make you experience more interested to read.
