Raising the Stones By Sheri S. Tepper

When the human settlers arrived on Hobbs Land, the native intelligent species, the Owlbit, were already almost extinct. Before the last one died, a few years later, the humans had learned a little of their language, their ideas and their religion. It seemed the natural thing for the settlers to maintain the last Owlbit temple, with the strange statue that was its God. When when that God died - disintegrating overnight - it seemed equally natural to start preparing its replacement. Maire Manone came to Hobbs Land to escape the harsh patriarchal religion of Voorstod, but Voorstod hasn't forgotten her - or forgiven her. But the men who arrive on Hobbs Land to find and return Maire to her homeland haven't taken Hobbs Land's God into account ...

Editorial Review

From Publishers Weekly

Sure to enhance Tepper's growing reputation, this imaginative novel is set in man's distant future among a number of human cultures inhabiting a distant solar system. On the recently colonized agricultural world of Hobbs Land, the aborigines and their god have died, leaving a few temples and villages. The children of the matriarchal Settlement One, including teenagers Jeopardy Wilm and his cousin and sweetheart, Saturday, begin to act strangely; they restore an old temple and place a new god inside. As quarrelsomeness and strife disappear, clear thinking prevails and worship of the new god spreads to other settlements, the fanatic, patriarchal prophets of Voorstod on the planet Ahabar seek to impose their brutal, slave-owning society on the whole system. For propaganda, they try to lure back from Hobbs Land famous singer Maire Girat, Jeopardy's grandmother, who had fled Voorstod years before. Tepper (*Grass*) builds strange rich worlds with distinct cultures breathing their own realities; among her many interwoven themes is the relationship between men and women and the societies each dominates.

From Library Journal

A young man's obsession with the long- forgotten age of heroes and legends threatens to upset the delicate balance of a future world concerned only with peace and stability in the latest novel by the author of *The Gate to Women's Country* and *Grass* (LJ 4/15/89) . Tepper continues to explore the social implications of human progress as her characters struggle with religious conflicts and their own instincts for violence.

Recommended.

From the Back Cover

Hobbs Land was a quiet agricultural colony, a peaceful planet where men and women worked together as equals to provide food for other worlds. Once it had been the home of the alien Owlbit, who left behind only the temples where their strange gods had lived. But then the gods awoke.

Peace. War. Hate. And love. *Raising the Stones* weaves disparate threads to tell a story that builds to an inescapable climax. And, in a time when so many predict humanity won't survive through the next century, author Sheri S. Tepper gives us an insightful look into what is the best in all of us.

Users Review

From reader reviews:

Jordan Weatherspoon:

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite publication and reading a book. Beside you can solve your problem; you can add your knowledge by the publication entitled *Raising the Stones*. Try to make the book *Raising the Stones* as your pal. It means that it can being your friend when you truly feel alone and beside those of course make you smarter than before. Yeah, it is very fortuned to suit your needs. The book makes you much more confidence because you can know every little thing by the book. So , let's make new experience as well as knowledge with this book.

Henry Woods:

What do you concentrate on book? It is just for students because they're still students or it for all people in the world, exactly what the best subject for that? Just you can be answered for that query above. Every person has diverse personality and hobby for each and every other. Don't to be obligated someone or something that they don't wish do that. You must know how great in addition to important the book *Raising the Stones*. All type of book is it possible to see on many solutions. You can look for the internet methods or other social media.
