Shame By Annie Ernaux

"My father tried to kill my mother one Sunday in June, in the early afternoon," begins *Shame*, the probing story of the twelve-year-old girl who will become the author herself, and the single traumatic memory that will echo and resonate throughout her life. With the emotionally rich voice of great fiction and the diamond-sharp analytical eye of a scientist, Annie Ernaux provides a powerful reflection on experience and the power of violent memory to endure through time, to determine the course of a life.

Editorial Review

Users Review

From reader reviews:

Joseph Braddock:

The feeling that you get from Shame could be the more deep you excavating the information that hide inside words the more you get enthusiastic about reading it. It does not mean that this book is hard to understand but Shame giving you buzz feeling of reading. The writer conveys their point in a number of way that can be understood through anyone who read that because the author of this reserve is well-known enough. This particular book also makes your own personal vocabulary increase well. That makes it easy to understand then can go along with you, both in printed or e-book style are available. We propose you for having this specific Shame instantly.

Ismael Roop:

A lot of people always spent their own free time to vacation or even go to the outside with them family or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. In order to try to find a new activity that's look different you can read a new book. It is really fun for you. If you enjoy the book that you just read you can spent 24 hours a day to reading a book. The book Shame it is quite good to read. There are a lot of folks that recommended this book. These people were enjoying reading this book. In case you did not have enough space to bring this book you can buy the particular e-book. You can more quickly to read this book from your smart phone. The price is not to fund but this book has high quality.

Frances Oberlin:

Do you like reading a publication? Confuse to looking for your selected book? Or your book had been rare? Why so many query for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but also novel and Shame or others sources were given expertise for you. After you know how the fantastic a book, you feel wish to read more and more. Science book was created for teacher or even students especially. Those publications are helping them to put their knowledge. In various other case, beside science e-book, any other book likes Shame to make your spare time much more colorful. Many types of book like this.

Aaron Covington:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to presently there

but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Shame can make you sense more interested to read.
