Videoscript to Accompany Destinos: An Introduction to Spanish By Bill VanPatten

This Videoscript is a faithful transcription of the 52 half-hour episodes that comprise the Destinos television series. The script was written by a team of Hispanic writers from all parts of the Spanish-speaking world, along with the series designer, an advisory board, and Spanish-speaking consultants in the United States. The 52 episodes of the series were shot based on the script. When final editing on the series was completed, the script was adjusted for accuracy with the lines as rendered by the actors and actresses and for changes on location and in the editing process. For the individual learner or viewer, the Videoscript can serve as a reference tool: a place to "look up" particularly difficult parts of the television episodes or simply a place to verify comprehension in a reading - rather than a listening - mode.
