I'm Still Standing By Shennod Moore

“I'm Still Standing” is a collection that relates to my true life experiences over the past year. This collection consists of poetry focused on love, sexuality, sensuality, and spirituality. This work is from the heart, very raw and very real. This book reads sort of like a “poetic diary” and to best understand the process of change and how it works, each poem should first be read in the order presented. You will see my poetry doesn't fit a certain form or structure. That's because my life didn't fit a form or structure. This book reflects my life at that time. It still flows well and is easy to read I made sure of that. It doesn't follow rules. At the time neither did I. But I became stronger. My hope is that through my words you too can become stronger as you partake in this journey with me. It promises to be an exciting journey with up's and down's, and twists and turns. There are some bright moments and some very dark moments as well. It is my hope that many people will be able to relate. Yes, you can Still Stand without standing still! Life is a magnificent ride so buckle your seat belt and ride with me.
