Offending Women: Power, Punishment, and the Regulation of Desire By Lynne Haney

Offending Women is an eye-opening journey into the lived reality of prison for women in the United States today. Lynne Haney looks at incarcerated mothers, housed together with their children, who are serving terms in alternative, community-based prisons—a type of facility that is becoming increasingly widespread. Incorporating vivid, sometimes shocking observations of daily life, she probes the dynamics of power over women's minds and bodies that play out in two such institutions in California. She finds that these “alternative” prisons, contrary to their aims, often end up disempowering women, transforming their social vulnerabilities into personal pathologies, and pushing them into a state of disentitlement. Uncovering the complex gendered underpinning of methods of control and intervention used in the criminal justice system today, *Offending Women* links that system to broader discussions on contemporary government and state power, asks why these strategies have arisen at this particular moment in time, and considers what forms of citizenship they have given rise to.

Editorial Review

Review

“I strongly recommend this book. Haney’s account is rich with ethnographic detail that brings life to abstract debates about mode of governance and the state.”

(*American Journal Of Sociology / AJS* 2011-05-04)

“Enriched with vivid images and details on incarcerated women’s lives, this book reminds us of incarcerated women’s social realities.”

(Olivera Simic *Feminist Review* 2010-04-18)

“Insightful. . . . This book will appeal to persons with an interest in women’s studies.”

(Jack E. Call *Law & Politics Book Review* 2011-06-29)

“Offending women makes excellent use of ethnographic material and close observation to build a compelling analysis of two state institutions.”

(*British Jrln Of Sociology* 2012-12-18)

From the Inside Flap

“Lynne Haney is already an important voice in the sociology of welfare but this book marks her debut as a major figure in the sociology of punishment and the study of governmentality. *Offending Women* is a fascinating work that combines rich ethnographic detail with a structural account of the changing contours of contemporary governance. Its original contributions to prison ethnography, women’s studies, and the sociology of the penal-welfare state will make it a reference point in each of these disciplines.”—David Garland, author of *The Culture of Control*

“*Offending Women* is an exemplary piece of work. Haney's writing is engaging, crisp, and smart. She brilliantly assesses the various intentions of the state and incarcerated women and clarifies how these intentions are based on orientations toward punishment and 'healing' that demand fundamental rethinking.”—Rickie Solinger, author of *Pregnancy and Power* and co-editor of *Interrupted Life: Experiences of Incarcerated Women in the United States*

“Lynne Haney brings together her stupendous skills as an ethnographer and her theoretical insights into how states work to explain how the treatment of imprisoned women has changed over the past decade. An altogether brilliant book.”—Myra Marx Ferree, University of Wisconsin

About the Author

Lynne A. Haney is Professor of Sociology at New York University. She is the author of *Inventing the Needy: Gender, Politics, and State Development in Hungary* and a coauthor of *Global Ethnography: Forces, Connections, and Imaginations in a Postmodern World* (both available from UC Press). She is also the editor of *Families of a New World: Gender, Politics, and State Development in a Global Context*.

Users Review

From reader reviews:

Lydia Donaldson:

In other case, little individuals like to read book Offending Women: Power, Punishment, and the Regulation of Desire. You can choose the best book if you want reading a book. Given that we know about how is important the book Offending Women: Power, Punishment, and the Regulation of Desire. You can add know-how and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can recognize everything! From your country until eventually foreign or abroad you can be known. About simple point until wonderful thing you could know that. In this era, we could open a book or perhaps searching by internet gadget. It is called e-book. You should use it when you feel uninterested to go to the library. Let's study.

Gary Morrell:

Nowadays reading books be than want or need but also become a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want really feel happy read one along with theme for entertaining for instance comic or novel. The actual Offending Women: Power, Punishment, and the Regulation of Desire is kind of reserve which is giving the reader capricious experience.

Rene King:
