### Peter Beard (Stern Portfolio) By Peter Beard

For over 50 years Peter Beard has mixed his life with the glitterati with the wildlife of Africa. As a friend to the Kennedys and Bacon, Crocodiles and Elephants, Beard has conquered a double-headed beast. A fashion photographer whose work has splashed the big international glossies and brought African beauty to the realms whilst partying at studio 54 - Peter Beard is a legend in his own lifetime. The fashion industry would be one star short if Peter Beard had not spotted a young Iman wheeling a bicycle through a college in Nairobi.
