**Philosophy of Law (Princeton Foundations of Contemporary Philosophy)** By Andrei Marmor

In *Philosophy of Law*, Andrei Marmor provides a comprehensive analysis of contemporary debates about the fundamental nature of law--an issue that has been at the heart of legal philosophy for centuries. What the law is seems to be a matter of fact, but this fact has normative significance: it tells people what they ought to do. Marmor argues that the myriad questions raised by the factual and normative features of law actually depend on the possibility of reduction--whether the legal domain can be explained in terms of something else, more foundational in nature.

In addition to exploring the major issues in contemporary legal thought, *Philosophy of Law* provides a critical analysis of the people and ideas that have dominated the field in past centuries. It will be essential reading for anyone curious about the nature of law.

### Editorial Review

From the Back Cover

"This superb book, written by one of the world's foremost philosophers of law, is a highly welcome addition to the jurisprudential literature, one marked by its immense pedagogical value and scholarly excellence. It provides, in clear, accessible language, an informed, sympathetic treatment of all the main issues and theories within the discipline of contemporary analytic legal philosophy. Not only will it be of immense value to the student first encountering the field, it will equally engage the interest of the seasoned scholar and advanced student keen to know Marmor's own, distinctive take on these important matters. A remarkable achievement."--**W. J. Waluchow, author of *A Common Law Theory of Judicial Review***

"This is an excellent book. The quality of argumentation is first-class, and readers will gain significant benefits from Marmor's careful, well-argued, and thorough analysis."--**Brian Bix, University of Minnesota**

About the Author

**Andrei Marmor** is professor of philosophy, Maurice Jones Jr. Professor of Law, and director of the Center for Law and Philosophy at the University of Southern California. His books include *Social Conventions: From Language to Law* (Princeton) and *Law in the Age of Pluralism*.
