Three Wishes By Kristen Ashley

When Lily Jacobs was born, she inherited Fazire – a genie. Her family had three wishes and they'd only ever used one so Fazire was stuck in the human world. This worked since he'd become a member of the family anyway.

Even with a genie, Lily's young life wasn't perfect. To escape the kids making her miserable at school, Lily buried herself in romance novels. One day, when the teasing was just too much, she used one of her wishes. She told Fazire she wanted to find a man like in her books and she made the most complicated wish Fazire had ever heard. Her wished-for man had to be impossibly handsome, virile, fierce, rugged and ruthless (amongst a dozen other things).

He also had to think she was beautiful and he had to love her more than anything in the world.

Nathaniel McAllister wasn't born to a life where there were such things as genies granting wishes. His life was filled with drugs, crime and neglect. He was running errands for a gangster before he was in his teens and, even though life and hard work led him to wealth and respectability, he always knew, deep down, he was dirty. When Nate met Lily he knew he was no good for her but as virile, fierce, rugged and ruthless as he was, Nate was no match for the pull of sweet, innocent Lily.

Unfortunately, Lily's wish included that she and her hero go through trials and tribulations to test their love. And Fazire wasn't only a good genie, he loved Lily – so he gave her exactly what she wanted.

Editorial Review

About the Author

Kristen Ashley is a New York Times and USA Today bestselling author. She grew up in Indiana, but has lived in Colorado and the West Country of England. Thus she's been blessed to have friends and family around the globe. Her posse is loopy (to say the least), but loopy is good when you want to write. Kristen was raised in a house with a large and multi-generational family. They lived on a very small farm in a small town in the heartland and existed amongst the strains of Glenn Miller, The Everly Brothers, REO Speedwagon and Whitesnake (and the wardrobes that matched). Needless to say, living in a house full of music, clothes and love was a good way to grow up. And as she keeps growing up, it keeps getting better.

Users Review

From reader reviews:

Melissa Kim:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite guide and reading a reserve.
