Villains Rising (Cloak Society) By Jeramey Kraatz

Alex Knight struggles to find a place between superheroes and supervillains in this explosive sequel to *The Cloak Society*, which *School Library Journal* says has "the same wide appeal as Rick Riordan's Percy Jackson books."

The Cloak Society has just pulled off the greatest takedown in Sterling City's history—but twelve-year-old Alex Knight has turned his back on the supervillains who raised him, and is fighting for the other side. Working with the superheroes is easier said than done, though . . . especially when your new teammates aren't sure your days as a villain are over.

Praised by *Publishers Weekly* for its "rapid-fire, comic book–style action," the Cloak Society trilogy delivers high-stakes battles, extraordinary superpowers, and an original twist on the superhero stories readers know and love. Fans of the 39 Clues and the Alex Rider Adventures will be hooked!

Editorial Review

From School Library Journal

Gr 5–8—The battle for control over Sterling City has ended and the evil Cloak Society has won. Most of the good-guy Rangers of Justice have been trapped in the Gloom, an alternate dimension. The City's only remaining super-powered protectors are seven teenagers: three young Rangers and four former Cloak members who traded villainy for heroism. Struggling to regroup, the teens must learn to work together despite their past differences and rescue the trapped Rangers. Adding to the group's trust issues are two new superpowered teens who want to join the team but whose true motives are suspect. Kraatz does a good job keeping readers guessing who may betray the heroes. Favorite characters from the first book return including telekinetic Alex, shape-shifter Kirbie, and tech genius Gabe. Kraatz continues to please readers who love comic book action with high-tech gadgets, fierce battles, and characters boasting an inventive arsenal of super abilities. Fans of the first installment will enjoy the continuing adventure and eagerly await the next in the series.—Marybeth Kozikowski, Sachem Public Library, Holbrook, NY

Review

“Kraatz continues to please readers who love comic book action with high-tech gadgets, fierce battles, and characters boasting an inventive arsenal of super abilities.” (School Library Journal)

Praise for *The Cloak Society*: “Readers should find it easy to dig into the rapid-fire, comic book-style action.” (Publishers Weekly)

“An original fantasy world with a detailed backstory and myriad intriguing characters. This debut novel is a strong start to a series that will likely find the same wide appeal as Rick Riordan’s *Percy Jackson* books.” (School Library Journal)

“The Cloak Society must have zapped me like kryptonite, because the moment I opened it, I was frozen in place, reading long into the night, unable to move until I turned the last page.” (Christopher Healy, author of *The Hero's Guide to Saving Your Kingdom*)

From the Back Cover

Fallen heroes. Rising villains. The line between ally and enemy has been blurred.

Alex Knight was raised as one of the Cloak Society's most fiercely loyal young members. He eagerly awaited the day when Cloak would rule as the most feared villains in the world.

Then he met Kirbie, a junior member of the city's beloved heroes, the Rangers of Justice. Kirbie opened Alex's eyes to Cloak's *true* mission. Now Alex is determined to bring Cloak down. And there's no time to lose.

The Cloak Society has just pulled off the greatest takedown in Sterling City's history. Justice Tower is in ruins. And the Rangers of Justice have vanished.

Alex and Kirbie's only hope for defeating Cloak is to bring together the Junior Rangers and the other junior Cloak members who have turned their backs on their former leaders. But after years of hatred and enmity, fighting for the same side is easier said than done.
