## 1914-1918: The History of the First World War By D. Stevenson

In the summer of 1914 Europe exploded into a frenzy of mass violence. The war that followed had global repercussions, destroying four empires and costing millions of lives. Even the victorious countries were scarred for a generation, and we still today remain within the conflict's shadow. In this major new analysis, published some ninety years after the First World War began, David Stevenson re-examines the causes, course and impact of this 'war to end war', placing it in the context of its era and exposing its underlying dynamics. His book provides a wide-ranging international history, drawing on insights from the latest research. It offers compelling answers to the key questions about how this terrible struggle unfolded: questions that remain disturbingly relevant for our own time.

## **Editorial Review**

### **Review**

David Stevenson is the real deal ... His defining characteristic is his outstanding rigour as an historian ... tremendously clever -- Niall Ferguson It's harder to imagine a better single-volume comprehensive history of the conflict than this superb study -- Ian Kershaw Perhaps the best comprehensive one-volume history of the war yet written New Yorker This history of the 1914-1918 conflict surpasses all others. It is tough, erudite and comprehensive Independent

### **About the Author**

David Stevenson is Professor of International History at the London School of Economics and Political Science.

## **Users Review**
