**Making All Things New: Catholicity, Cosmology, Consciousness (Catholicity in an Evolving Universe) (Catholicity in an Evolving Universe) 102000** By Ilia Delio

A new paradigm for being Catholic: catholicity, a conscious awareness of how everything - the sun, moon, stars, Kepler, Saturn, maple trees, muddy rivers, amoeba, bacteria and all peoples of the earth - form a whole.

Ilia Delio introduces a new word, catholicity, which is destined to become as discussed and familiar in this century as the word Catholic was in the 2nd century.

Catholicity is a dynamic, spiritual quality of being Catholic that literally means "becoming whole." It is an inner principle which first burst forth in the life of Jesus, and has the power to reconnect all the dimensions of life: spirituality, religion, the new sciences, culture, and society.

Catholicity is a spirit of love, a love of the spirit, which resists ideology and attracts new followers. "Where the Spirit of the Lord is there is freedom" (2 Cor 3:17). Catholicity makes all things new. "If any be in Christ he is a new creature. The old way of living disappears. A new way of living comes into existence" (2 Cor: 5:17).

### Editorial Review

#### Review

At last, someone is redeeming, renewing, and recovering the lovely and true meaning of 'catholic.' This could change your life--and it should! --Richard Rohr, O.F.M., Center for Action and Contemplation Albuquerque, New Mexico

Examines scientific thought through the lens of spirituality and provides a path for spiritual seekers that weaves together science and faith, simultaneously providing a vision for a brighter future....Upon soaking up Delio's message, readers will find that "truth shines out" from this book. --Presence: An International Journal of Spiritual Direction

Refreshing and challenging, a spiritually profound invitation for Christian, especially Catholic, theology to wake up and become aware that relationality is an essential feature of reality and that human beings are wholes within ever bigger wholes. Significant in this regard is chapter 8, "Putting on the Mind of Christ," a call to overcome all kinds of dualism and move towards a non-dual consciousness, training our brains into a Christic mindfulness that allows us to be one with God. To put on the mind of Christ means to know the power within us to create the future through the decisions we make in our present. --ESSSAT News & Reviews
