Maude March on the Run! By Audrey Couloumbis

The papers call Maude notorious. But 12-year-old Sallie knows her big sister didn't do the things the stories say . . . not on purpose anyway. In fact, she and Maude have made a fresh start and are trying to live on the up-and-up. But just when the girls are settling into their new life, Maude is arrested—and before you can say "jailbreak," the orphaned sisters are back on the run!

In the sequel to the critically acclaimed *The Misadventures of Maude March*, Newbery Honor winner Audrey Couloumbis once again takes on a dizzyingly fast, delightfully rowdy, and altogether heartwarming ride through the old west—proving that half the fun of any journey is the getting there.

From the Hardcover edition.

Editorial Review

From School Library Journal

Grade 5–7—The excitement of the Wild West comes to life in this action-packed sequel to *The Misadventures of Maude March* (Random, 2005). Orphans Sallie, 12, and Maude, 16, continue their adventures, again traveling west in search of their Uncle Arlen and a place they can call home. Maude is unjustly accused of being a horse thief, bank robber, and murderer, and the two girls and their companion, Joe Harden, barely manage to stay one step ahead of the law as they dash across desert and prairie. Joe is a charmingly hapless con man, and the interaction among these three characters provides lots of humor, especially when Maude's fame produces a bunch of copycat outlaws. Sallie's voice as the "wise innocent" with plenty of colorful language is just right as she sees through the hypocrisy of a delicious array of eccentric characters and repeatedly saves the day for her companions. Descriptive details about medical practices, terrain, railroads, food, towns, forts, etc., are woven seamlessly into the lively story and provide a real feel for the flavor of the Old West and life on the trail. There are a few too many annoying references to unexplained characters and events from the earlier book, but they may encourage readers to go back and catch up with the girls' previous exploits. A satisfying sequel.—*Quinby Frank, formerly at Green Hedges School, Vienna, VA*

Review

"Old-fashioned storytelling, humor, rollicking adventure, and heroines to root for. A natural for reading aloud."—*Kirkus Reviews*

"Descriptive details . . . are woven seamlessly into the lively story and provide a real flavor for the Old West and life on the trail."—*School Library Journal*

About the Author

Audrey Couloumbis's first book for children, *Getting Near to Baby*, won the Newbery Honor in 2000. She is also the author of *Say Yes* and *The Misadventures of Maude March*, which was named a Junior Library Guild Selection, a Book Sense 76 pick, and a New York Public Library 100 Titles for Reading and Sharing.

From the Hardcover edition.

Users Review

From reader reviews:

Joyce Jacobs:

This Maude March on the Run! is great reserve for you because the content and that is full of information for you who all always deal with world and get to make decision every minute. This book reveal it information accurately using great organize word or we can point out no rambling sentences included. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but tricky core information with lovely delivering sentences. Having Maude March on the Run! in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no book

that offer you world within ten or fifteen small right but this publication already do that. So , this can be good reading book. Heya Mr. and Mrs. busy do you still doubt that will?

Margaret Pinson:

Is it you actually who having spare time in that case spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Maude March on the Run! can be the respond to, oh how comes? It's a book you know. You are consequently out of date, spending your time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

Maria Blanco:

Within this era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become among it? It is just simple way to have that. What you have to do is just spending your time very little but quite enough to enjoy a look at some books. Among the books in the top record in your reading list will be Maude March on the Run!. This book which can be qualified as The Hungry Inclines can get you closer in turning into precious person. By looking way up and review this publication you can get many advantages.

Betty Dansby:

Book is one of source of knowledge. We can add our expertise from it. Not only for students but also native or citizen want book to know the update information of year in order to year. As we know those textbooks have many advantages. Beside most of us add our knowledge, may also bring us to around the world. From the book Maude March on the Run! we can consider more advantage. Don't that you be creative people? To become creative person must want to read a book. Just choose the best book that appropriate with your aim. Don't be doubt to change your life at this time book Maude March on the Run!. You can more appealing than now.
