### Editorial Review

#### Review

"Debra White Smith has written an excellent resource for couples. The title of the book is slightly misleading in that it purports to be for women. However, husbands would be well advised to get themselves a copy. Difficult marriages will be significantly improved and good marriages can become 'world-class' if each partner would take to heart what is written here. Easily understandable and easy to implement, this important volume has also been 'field-tested' in Debra and Daniel's own marriage."

—**Roy Rotz, M.S., Ph.D., Program Director, MidAmerica Nazarene University**

"Debra White Smith has hit a homerun with ***Romancing Your Husband!*** The book is replete with great ideas for romance. More importantly, it's from a Christian perspective and tastefully done. The 'prayer points' section provides a marvelous perspective on marriage. I plan to give this book to every couple going through pre-marital counseling sessions with me."

—**Dr. Stan Toler, Pastor, author, and TV host of "Leadership Today"**

"Creative, fun, and most of all, vital! ***Romancing Your Husband*** is a wealth of great ideas that EVERY woman should try to put a smile on her husband's face!"

—**Bill & Pam Farrel, Co-authors of *Men Are Like Waffles, Women Are Like Spaghetti***

"This book is in the Top 10 that I have read in the past couple of years. I even found myself saying, 'I haven't done that in a while myself.' Debra's openness and honesty was breathtaking."

—**Nancy McCutcheon, Co-Pastor, Destiny Family Church**

"***Romancing Your Husband*** is a delightful resource that will provide you with inspiration on every page."

—**Drs. Les and Leslie Parrott, coauthors of *Becoming Soul Mates***

#### About the Author

Debra White Smith has 55 books to her credit and more than a million books in print. The author of *Romancing Your Husband* and *Romancing Your Wife* (combined sales of more than 140,000 copies) and the Jane Austen fiction series, Debra's award-winning writing and entertaining humor have made her a reader favorite and a sought-after conference speaker.
