The Aussie Bible (Well, Bits of it Anyway!) By Kel Richards

A bunch of Aussies have spent the day at the beach. They wind up in one blokes backyard, where the barbie is firedup and loaded with grub steaks and veg and such. Later, over a cold drink, one bloke starts telling stories. They are some of the best known and best loved stories in the world; stories that have been told on every continent on earth; stories that have been circling the world for 2,000 years. They are stories about the carpenter who changed history as he traveled the Outback with his mates. This time those stories are retold in real, fair dinkum, Aussie English. With its own Australian take on In the beginning..., The Aussie Bible starts off with its worldknow and disarmingly friendly, Gday! Then sets out retelling tales in a manner and style that will have you reading, and sometimes laughing, out loud. From A Gigantic Picnic (The Miracle of the Loaves and Fishes) to an Aussiestyle Psalm 23 to the Glossary specially lengthened for the Yanks, The Aussie Bible is a smashhit, pageflipper for all ages that has already sold over 110,000 copies worldwide.

Editorial Review

Users Review

From reader reviews:

Steven Parrish:

As people who live in often the modest era should be update about what going on or details even knowledge to make these individuals keep up with the era which is always change and advance. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This The Aussie Bible (Well, Bits of it Anyway!) is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Callie Allen:

Reading a book can be one of a lot of pastime that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new details. When you read a guide you will get new information simply because book is one of numerous ways to share the information as well as their idea. Second, reading a book will make you actually more imaginative. When you studying a book especially tale fantasy book the author will bring you to imagine the story how the characters do it anything. Third, you may share your knowledge to some others. When you read this The Aussie Bible (Well, Bits of it Anyway!), you may tells your family, friends and soon about yours book. Your knowledge can inspire average, make them reading a book.

Adam Tonn:

Reading a book for being new life style in this year; every people loves to examine a book. When you read a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, and soon. The The Aussie Bible (Well, Bits of it Anyway!) will give you a new experience in examining a book.

Tyler Cote:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book has been rare? Why so many concern for the book? But almost any people feel that they enjoy to get reading. Some people likes studying, not only science book but also novel and The Aussie Bible (Well, Bits of it Anyway!) or maybe others sources were given information for you. After you know how the fantastic a book, you feel want to read more and more. Science book was created for teacher or even students especially. Those ebooks are

helping them to include their knowledge. In additional case, beside science e-book, any other book likes The Aussie Bible (Well, Bits of it Anyway!) to make your spare time far more colorful. Many types of book like here.
