**The Summer of our Discontent** By Robin Alexander

A fun summer read. Faith Leblanc is looking for that special someone, but her tactics have branded her somewhat of a womanizer. A few doors down, Rachel Chauvin is looking for the same, but her conservative style hasn't yielded any keepers, either. Neither woman is willing to consider the other as a prospective partner, mostly because they've hated each other for nearly four decades. Change is in the air, and spring is giving way to The Summer of Our Discontent.
