**Birthright** By Nora Roberts

**From beloved author Nora Roberts comes the #1 *New York Times* bestseller about shattering loss and shocking discovery—set in a small town nestled in the Blue Ridge Mountains...**

When five-thousand-year-old human bones are found at a construction site in the small town of Woodsboro, the news draws archaeologist Callie Dunbrook out of her sabbatical and into a whirlwind of adventure, danger, and romance.

While overseeing the dig, she must try to make sense of a cloud of death and misfortune that hangs over the project—fueling rumors that the site is cursed. She must cope with the presence of her irritating—but irresistible—ex-husband, Jake. And when a stranger claims to know a secret about her privileged Boston childhood, she must question her own past as well...

### Editorial Review

From Publishers Weekly

Set in and around rural Woodsboro, Md., a small town drawn with affection and familiarity, Roberts's latest is the literary equivalent of a big delicious meal whipped up by a talented home cook. She offers a dash of exoticism and innovation-a Neanderthal settlement is discovered on the site of an unwanted housing development, prompting gorgeous young archeologist Callie Dunbrook to race to Woodsboro to take charge of what promises to be the dig of her career. After dollops of detail about archeological work, Roberts dishes up huge servings of comfort food, and it is all the more satisfying for being so straightforward. When the owner of the Antietam Creek development turns up murdered on the site, Callie is thrown into closer contact than she'd like with her ex-husband, who also happens to be the anthropologist sharing responsibility for the dig. Jacob Greystone is a hunk—"long bones, long muscles, all covered in bronzed skin...." Meanwhile, Suzanne Cullen, the hugely successful proprietor of a Mrs. Field's-like baked-goods business, tracks down the archeologist after seeing her on the evening news. Callie, the woman claims, is the baby daughter who was snatched from her stroller when she was just a few months old. Callie hires a beautiful young lawyer, Lana Campbell, who happens to be involved with Doug Cullen, Callie's long-lost brother. Another murder, arson and attempted murder heat up the chase until all the young lovers are drawn in. As in other delectable entertainments by Roberts, it is not the wild denouement but the pursuit itself-studded with scrumptious romantic encounters-that is the real dessert.

From Library Journal

Archaeologist Callie Dunbrook is excited to be overseeing a new dig, but with the site rumored to be cursed, her ex-husband hanging around, and a stranger suggesting that he knows all about her past, things aren't altogether rosy. Despite the pub date, the book will surface in late March.

The discovery of 5,000-year-old bones in a development site in Maryland lures archaeologist Callie Dunbrook away from her sabbatical to head up the excavation team, but once she finds out the team's head anthropologist is her ex-husband, Jacob "Jake" Graystone, Callie is ready to quit. The project already faces difficulties with local residents, who are split between those who favor continuing with the development and those who want to preserve the area as a historic site. When a local TV news station interviews Callie about the project, it brings Suzanne Cullen to her doorstep claiming that Callie is her long-lost daughter, Jessica, who was kidnapped from a shopping mall 29 years ago. No trace of her daughter was ever found, but Suzanne never gave up hope that one day Jessica would return. Convinced that Callie is really her child, Suzanne forces Callie to look into her own past, but the answers Callie finds not only surprise her but also attract the interest of someone who does not want anyone digging into the past. With its compelling, realistically flawed hero and heroine, whose clever banter is spiced with just the right amount of acerbic wit, and a sleek plot that unwinds to a wonderfully satisfactory conclusion, RITA award-winning, *New York Times* best-selling Roberts' latest combination of romance and suspense is pure reading magic. *John Charles*

### Users Review

From reader reviews:

**Dorothy Guillen:**

Do you one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you just dont know the inside because don't evaluate book by its deal with may doesn't work at this point is difficult job because you are afraid that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer may be Birthright why because the excellent cover that make you consider in regards to the content will not disappoint an individual. The inside or content is actually fantastic as the outside or perhaps cover. Your reading 6th sense will directly show you to pick up this book.

**Frank Johnson:**

Beside this kind of Birthright in your phone, it could possibly give you a way to get nearer to the new knowledge or facts. The information and the knowledge you can got here is fresh in the oven so don't end up being worry if you feel like an previous people live in narrow village. It is good thing to have Birthright because this book offers to your account readable information. Do you often have book but you don't get what it's exactly about. Oh come on, that will not happen if you have this inside your hand. The Enjoyable arrangement here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss that? Find this book along with read it from at this point!

**Christine Pena:**

As we know that book is vital thing to add our understanding for everything. By a publication we can know everything you want. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This guide Birthright was filled regarding science. Spend your time to add your knowledge about your scientific research competence. Some people has several feel when they reading some sort of book. If you know how big benefit of a book, you can experience enjoy to read a book. In the modern era like now, many ways to get book which you wanted.

**Annette Spafford:**

That guide can make you to feel relax. This kind of book Birthright was vibrant and of course has pictures around. As we know that book Birthright has many kinds or genre. Start from kids until adolescents. For example Naruto or Detective Conan you can read and believe that you are the character on there. Therefore not at all of book tend to be make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that.
