Dare Me By Megan Abbott

"I dare you not to love this book. You lucky reader."---Tom Franklin, *New York Times* bestselling author of *Crooked Letter, Crooked Letter*

Addy Hanlon has always been Beth Cassidy's best friend and trusted lieutenant. Beth calls the shots and Addy carries them out, a long-established order of things that has brought them to the pinnacle of their high-school careers. Now they're seniors who rule the intensely competitive cheer squad, feared and followed by the other girls -- until the young new coach arrives.

Cool and commanding, an emissary from the adult world just beyond their reach, Coach Colette French draws Addy and the other cheerleaders into her life. Only Beth, unsettled by the new regime, remains outside Coach's golden circle, waging a subtle but vicious campaign to regain her position as "top girl" -- both with the team and with Addy herself.

Then a suicide focuses a police investigation on Coach and her squad. After the first wave of shock and grief, Addy tries to uncover the truth behind the death -- and learns that the boundary between loyalty and love can be dangerous terrain.

The raw passions of girlhood are brought to life in this taut, unflinching exploration of friendship, ambition, and power. Award-winning novelist Megan Abbott, writing with what Tom Perrotta has hailed as "total authority and an almost desperate intensity," provides a harrowing glimpse into the dark heart of the all-American girl.

Editorial Review

Amazon.com Review

Amazon Best Books of the Month, August 2012: Oh my, these beautiful, terrible girls, with their "Aruba-tanned" legs and their ferocity and fears, for whom the smallest slights become life-and-death matters. This brilliantly dark and uncomfortably real story, sharp and suspenseful and chilling, made me desperately glad I have sons. The author is so attuned to the "witchiness of girls" and the drama of high school, and then she takes us to the darkest corners of that world. These aren't *Mean Girls* or *Breakfast Club* teens--more like *Glee* on steroids. Megan Abbott is a scary genius. Her voice is fierce and fearless. --Neal Thompson

Review

PRAISE FOR *DARE ME*:

"A fascinating, almost voyeuristic, glimpse into the power struggle that goes on between teenaged girls. Not just any teenaged girls-cheerleaders-with their own unique hierarchy and fierce code of loyalty, which they'll protect at any cost. There's a dark and twisted love story here, told with a rich sensual undertone that lingers long after you close the last page, still breathing in your ear: *Dare me.*"?Chevy Stevens, *New York Times* bestselling author of *Still Missing* and *Never Knowing*

"Arresting, original and unputdownable."?Rosamund Lupton, *New York Times* bestselling author of *Sister*

"DARE ME sneaks up on you from behind, pulling on long-forgotten memories of teenaged desperation, obsession, and desire. This is truly masterful storytelling."?Alafair Burke, author of *Never Tell*

"Megan Abbott's brilliant new book presents a number of possibilities-the mysterious and the erotic, as well as the inevitable and paradoxical lessons of girlhood-with such illumination that the joyful terrors of adolescence were once again present in me. Abbott's characters, confronted with unaccustomed questions and strange, new difficulties, remind us that the loss of innocence can, if we are fortunate, emerge into a lustrous wisdom."?Susanna Moore, author of *In the Cut*

About the Author

Megan Abbott is the Edgar Award-winning author of five previous novels. She received her Ph.D. in literature from New York University and has taught literature, writing, and film at NYU, the New School, and SUNY-Oswego. She lives in New York City.

Users Review

From reader reviews:

Micheal Taylor:

As people who live in the modest era should be revise about what going on or information even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe can update themselves by examining books. It is a good choice for you personally but the problems coming to anyone is you don't know what kind you should start with. This *Dare Me* is our recommendation to make you keep up with the world. Why, as this book serves what you want and wish in this era.

Karen Horton:

Information is provisions for folks to get better life, information today can get by anyone at everywhere. The information can be a expertise or any news even a concern. What people must be consider when those information which is inside former life are challenging to be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you find the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take Dare Me as the daily resource information.

Willie Navarro:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try matter that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Dare Me, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hangout type is it? Oh can occur its mind hangout folks. What? Still don't buy it, oh come on its called reading friends.

Angela Kiefer:

This Dare Me is great e-book for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. This book reveal it details accurately using great manage word or we can claim no rambling sentences within it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with lovely delivering sentences. Having Dare Me in your hand like having the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen moment right but this guide already do that. So , this is good reading book. Heya Mr. and Mrs. occupied do you still doubt that?
