**My Brother Is a Superhero** By David Solomons

**Behind every great superhero is a very angry younger brother.**

Luke Parker was just your average comic book fan until his boring, teacher's pet, helps-old-ladies-across-the-street brother Zack got turned into a superhero. Luke can't believe the unfairness of it all—*he's* the one with the encyclopedic knowledge of everything from Ant-Man to Wolverine! At least he can help Zack—aka Star Guy—with all the important parts of becoming a superhero, like using his newfound powers and deciding whether or not to wear a cape.

But when Star Guy gets into super-size trouble, it's up to Luke—and his intrepid neighbor, Lara—to rescue his big brother and, with a little luck, help him save the world.

### Editorial Review

From School Library Journal

Gr 4–6—It was just plain bad luck (he had to pee) that 11-year-old superhero-loving Luke wasn't present when the spaceship hovered next to the tree house and the alien turned his 15-year-old studious brother, Zack, into a real superhero. Zorlon gave Zack three glowing stars on his chest, six unnamed powers, and a warning, "Nemesis is coming." Luke is jealous and furious that he wasn't chosen. His brother knows nothing about being a superhero—he won't even wear a cape! Now it's up to Luke to teach Zack, aka Super Guy, how to act like a superhero, to help him discover his powers, and to find out who or what Nemesis is, all while keeping Zack's new identity a secret. This becomes harder than just keeping his mouth shut as their nosy neighbor, Lara, is determined that she and Luke will discover Super Guy's true identity. Throw in Zack's crush on Lara's older sister, trying to be a superhero while keeping your parents clueless, being kidnapped by a fiendish comic book store owner while trying to save the world, and you're got a non-stop action-packed, laugh-out-loud winner of a story. The main characters are finely drawn and their voices are authentic. The format of the book with its font size and generous white space make it accessible and appealing. **VERDICT** A great book that will charm reluctant readers as well as anyone who has ever dreamed of being a superhero. It also makes for a fun read-aloud.—Nancy P. Reeder, Heathwood Hall Episcopal School, Columbia, SC

### Review

"A real treat...A hinted-at sequel will be eagerly anticipated by readers, who will want to return not only for the whizz-bang superhero stuff but also for the memorable and carefully developed sibling dynamic."—*BCCB*

### About the Author

David Solomons has been writing screenplays for many years. His first feature film was an adaptation of *Five Children and It* (starring Kenneth Branagh and Eddie Izzard, with gala screenings at the Toronto and Tribeca Film Festivals).
