Editorial Review

From **Scientific American**

"Seeing Systems is a reader-friendly way to explore the powerful and uncomfortable truths of Oshry's 25 years' experience with workshops on power. His stories, poetry, and conversations will captivate and confront us all. It's a timely book to read if you're thinking something should be changed."

From [**The New Yorker**](#)

"This is an incredibly wise book about how each of us behaves in the systems of our lives. Its abundant insights can profoundly affect our perceptions of why we do what we do. And it creates hope that with greater consciousness, we can participate with more humaneness and love in a world that insists we form more and more relationships."
