**The Women's Bible Commentary - expanded** By Carol A. Newsom, Sharon H. Ringe

In the critically acclaimed best-seller, *Women's Bible Commentary*, an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women, focusing on female characters, symbols, life situations such as marriage and family, the legal status of women, and religious principles that affect relationships of women and men. Now, this expanded edition provides similar insights on the Apocrypha, presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period. This expanded edition sets a new standard for women's and biblical studies.

## **Editorial Review**

From Library Journal

The past two decades have seen the growth of feminist biblical studies into a significant force within biblical scholarship. This landmark work brings the fruits of these labors together into a single fascinating collection. Like previous single-volume commentaries, this provides introduction and comments on each book of the Protestant Bible (with a brief treatment of the apocryphal writings). Unlike the others, however, this work is not a traditional commentary, which entails explaining the whole of each biblical book. Rather, the writers focus on "portions . . . that deal explicitly with female characters and symbols . . . and sections that bear upon the condition of women generally." Although the contributors share this goal, they take different paths. In addition to the commentary itself, there are helpful essays on feminist hermeneutics and daily life in biblical times. This commentary will raise eyebrows, and it will raise consciousness as well. It will not be well received in all quarters, but it is essential for those who are seriously interested in biblical and feminist studies. Recommended for seminary, university, and public libraries.

- *Craig W. Beard, Univ. of Alabama at Birmingham Lib.*
