Cabin Fever: The sizzling secrets of a Virgin air hostess By Mandy Smith, Nicola Stow

Shortlisted for The People's Book Prize 2015.

BUCKLE UP FOR THE RIDE OF YOUR LIFE...

Mandy Smith spent twelve years strutting down the aisles as one of Richard Branson's sexy and sassy flight attendants. In Cabin Fever she tells the good, the bad and the downright naughty tales of life in the air.

From dealing with projectile vomit and celebrity tantrums to sipping Manhattans and shopping in New York, this is riotous good fun. Set against a backdrop of exotic locations, the cast of zany characters includes everyone from Courtney Love to Sir Richard himself.

Mandy's jet-setting job allowed her to search the globe for Mr Right, which led her to many steamy love affairs. She even joined the Mile High Club, though not with a clumsy quickie in the toilet but a leisurely bonk in a Cessna. She's no Virgin, and in-flight entertainment has never been so risqué!

'This fun read dishes on what it's like to live with your head literally in the clouds - from in-flight fist fights to sneaky sex at Luna Park during a Sydney stopover.'

Editorial Review

About the Author

Mandy Smith was born and raised in Hartlepool, England. She worked in the office of the engineering department for Virgin Atlantic before she took to the skies in 1999. After a 12-year career jetting around the world, she eventually retired from the world of flying to pursue an entirely different career: motherhood. She now lives in West Sussex with her husband Glenn and their daughter.

Users Review
