Editorial Review

From the Inside Flap

Hawaii's Story by Hawaii's Queen is an account of those difficult years at the end of the nineteenth century when native Hawaiian historian David Malo's 1837 prophecy concerning "the small ones" being "gobbled up" came true for the Hawaiian Islands.

When this book was first published in 1898, it was an international plea for justice. Just as Admiral Thomas had restored Hawaiian sovereignty in 1843 following an illegal action by Lord Paulet, Queen Liliuokalani prayed that the American nation would similarly reestablish the Hawaiian throne. Queen Liliuokalani died on November 11, 1917, her poignant plea for justice unanswered. Almost 100 years later, her people still wait.
