**Kaleidoscope Eyes** By Jen Bryant

*Will Lyza's 1968 summer mystery lead to . . . pirate treasure?*

When Lyza helps her dad clean out her late grandfather's house, a mysterious surprise brightens the sad task. In Gramps's dusty attic, Lyza discovers three maps, carefully folded and stacked, bound by a single rubber band. On top, an envelope says "For Lyza ONLY." What could this possibly be? It takes the help of her two best friends, Malcolm and Carolann, to figure out that the maps reveal three possible spots in their own New Jersey town where Captain Kidd (*the Captain Kidd, seventeenth-century pirate*) may have buried a treasure. Can three thirteen-year-olds actually conduct a secret treasure hunt? And what will they find?

In a tale inspired by a true story of buried treasure, Jen Bryant weaves an emotional and suspenseful novel in poems, all set against the backdrop of the Vietnam War during a pivotal year in U.S. history.

*From the Hardcover edition.*

### Editorial Review

#### From [Booklist](#)

The summer of 1968 provides a fertile backdrop for Bryant's verse novel about Lyza, her friends, and their hunt for Captain Kidd's lost treasure in a New Jersey neighborhood. While cleaning out her recently deceased, thrill-seeking grandfather's house, Lyza finds a plain envelope with her name on it. Inside are maps and vague clues about one last adventure that he saved for her. Lyza enlists her friends Malcolm and Carolann, "a tall, shy black guy and a small, hyperactive white girl," swearing them to secrecy. Their sneaking around leads to a grounding, which leads to more sneaking around. For a story involving pirate treasure, it takes awhile to pick up speed. The poetry format doesn't always seem purposeful, and the ending is implausible. However, the characters are endearing and the setting is vivid. The events of the small town filter into the teens' lives in realistic ways: Malcolm's older brother is drafted, Lyza's older sister is a hippie, and boys they know are killed in the war or come home changed forever. Grades 5-7. --Heather Booth

#### Review

##### **Starred Review, Kirkus Reviews, April 1, 2009:**

"Readers will fall under the spell of the delicious plot."

##### **Starred Review, Publishers Weekly, May 25, 2009:**

"Sincere and well-paced, with the backdrop of a tumultuous period in history, the story is not easily forgotten."

*From the Hardcover edition.*

### Users Review

#### From reader reviews:

##### **Lori Hunt:**

In this 21st millennium, people become competitive in every single way. By being competitive now, people have to do something to make all of them survive, being in the middle of the particular crowded place and notice by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Sure, by reading a publication your ability to survive improves then having chance to endure than other is high. For yourself who want to start reading a book, we give you this specific Kaleidoscope Eyes book as beginner and daily reading publication. Why, because this book is more than just a book.

**Edward Cooley:**

Nowadays reading books become more than want or need but also be a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining for example comic or novel. The particular Kaleidoscope Eyes is kind of book which is giving the reader erratic experience.

**Brenda Villa:**

That book can make you to feel relax. This book Kaleidoscope Eyes was vibrant and of course has pictures on there. As we know that book Kaleidoscope Eyes has many kinds or style. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and think you are the character on there. So , not at all of book tend to be make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading this.

**Ashley Gibson:**

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Kaleidoscope Eyes can make you feel more interested to read.
