Macroeconomics (12th Edition) (Pearson Series in Economics) By Michael Parkin

MyEconLab does not come packaged with this content. If you would like to purchase both the physical text and **MyEconLab** search for **ISBN-10: 0134004671/ISBN-13: 9780134004679**. That package includes **ISBN-10: 0133872645/ISBN-13: 9780133872644** and **ISBN-10: 0133917568/ISBN-13: 9780133917567**.

For the two-semester principles of economics course.

An intuitive and grounded approach to economics

Get students to think like an Economist using the latest policy and data while incorporating global issues. **Macroeconomics, Twelfth Edition** builds on the foundation of the previous edition and retains a thorough and careful presentation of the principles of economics. **Macroeconomics** emphasizes real-world applications, the development of critical thinking skills, diagrams renowned for pedagogy and clarity, and path-breaking technology.

Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, students "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Students will begin to think about issues the way real economists do and learn how to explore difficult policy problems to make more informed decisions in their own economic lives.

Also available with MyEconLab

MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Editorial Review

About the Author

Michael Parkin is Professor Emeritus in the Department of Economics at the University of Western Ontario, Canada. Professor Parkin has held faculty appointments at Brown University, the University of Manchester, the University of Essex, and Bond University. He is a past president of the Canadian Economics Association and has served on the editorial boards of the *American Economic Review* and the *Journal of Monetary Economics* and as managing editor of the *Canadian Journal of Economics*. Professor Parkin's research on macroeconomics, monetary economics, and international economics has resulted in over 160 publications in journals and edited volumes, including the *American Economic Review*, *the Journal of Political Economy*, the *Review of Economic Studies*, the *Journal of Monetary Economics*, and the *Journal of Money, Credit and Banking*. He became most visible to the public with his work on inflation that discredited the use of wage and price controls. Michael Parkin also spearheaded the movement toward European monetary union. Professor Parkin is an experienced and dedicated teacher of introductory economics.

Users Review

From reader reviews:

Angela Dickens:

What do you with regards to book? It is not important along with you? Or just adding material when you really need something to explain what yours problem? How about your time? Or are you busy person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. They need to answer that question simply because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this Macroeconomics (12th Edition) (Pearson Series in Economics) to read.

Warren Zeigler:

In this age globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The actual book that recommended for your requirements is Macroeconomics (12th Edition) (Pearson Series in Economics) this book consist a lot of the information in the condition of this world now. This particular book was represented so why is the world has grown up. The dialect styles that writer value to explain it is easy to understand. Often the writer made some analysis when he makes this book. Here is why this book suitable all of you.

Bruce Williamson:

A lot of e-book has printed but it differs from the others. You can get it by net on social media. You can choose the most effective book for you, science, comic, novel, or whatever by means of searching from it. It is referred to as of book Macroeconomics (12th Edition) (Pearson Series in Economics). You can contribute your knowledge by it. Without leaving the printed book, it may add your knowledge and make anyone happier to read. It is most essential that, you must aware about e-book. It can bring you from one spot to other place.

Lionel Huggins:

What is your hobby? Have you heard that will question when you got students? We believe that that issue was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. So you know that little person such as reading or as reading through become their hobby. You should know that reading is very important along with book as to be the factor. Book is important thing to add you knowledge, except your current teacher or lecturer. You will find good news or update concerning something by book. Amount types of books that can you go onto be your object. One of them are these claims Macroeconomics (12th Edition) (Pearson Series in Economics).
