### **The Business Travel Survival Guide** By Jack Cummings

In the travel business for over 20 years, the author is familiar with travel horror stories and has solved a multitude of them in his book. Describes everything the business traveller needs to know when faced with a critical situation. Topics, ranging from saving time and money to surviving natural disasters, political unrest and food poisoning, are clearly covered along with expert advice on how to find and keep a good travel agent. Important survival data on 26 major cities across the U.S. including airport, transportation, lodging and temperature information and special checklists on how to pack and travel light makes this a ``must-have" for the savvy business traveller.

### Editorial Review

#### From Library Journal

Cummings, who has run his own travel agency for 20 years, has packed this guide for business travelers with useful information, tidbits, and advice. His goal is to help readers maximize travel comfort, minimize travel expenses, and increase their ability to cope with problems such as lost luggage, lost tickets, overbooked airlines, customs problems, and even jet lag and other illnesses. In addition, Cummings discusses how to take advantage of tax deductions and offers a particularly useful chapter on selecting and making the most productive use of a travel agent. He ends his book with a list of 25 major U.S. metropolitan areas. For each city, Cummings lists such vital information as taxi fees from the airport and alternate airport transportation, suggested restaurants, hotels, places of interest to visit, and weather information. Recommended for business and travel collections.

### Users Review

#### From reader reviews:

##### Lynn Jordan:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each publication has different aim or maybe goal; it means that e-book has different type. Some people feel enjoy to spend their time to read a book. They can be reading whatever they get because their hobby is definitely reading a book. Why not the person who don't like studying a book? Sometime, man feel need book once they found difficult problem or even exercise. Well, probably you will need this The Business Travel Survival Guide.

##### Cristen Washington:

What do you with regards to book? It is not important together with you? Or just adding material when you need something to explain what the one you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this specific The Business Travel Survival Guide to read.

**Robert Lyman:**

The actual book The Business Travel Survival Guide will bring someone to the new experience of reading any book. The author style to explain the idea is very unique. Should you try to find new book to learn, this book very acceptable to you. The book The Business Travel Survival Guide is much recommended to you to see. You can also get the e-book from the official web site, so you can more readily to read the book.

**Herbert Knight:**

What is your hobby? Have you heard this question when you got scholars? We believe that that issue was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And also you know that little person such as reading or as studying become their hobby. You should know that reading is very important along with book as to be the issue. Book is important thing to include you knowledge, except your personal teacher or lecturer. You will find good news or update in relation to something by book. Many kinds of books that can you choose to adopt be your object. One of them is actually The Business Travel Survival Guide.
