### The Causes of War By Geoffrey Blainey

This new edition of the highly acclaimed study on the causes of war has been expanded and updated to include a complete discussion of World War II and the road towards nuclear war. Analyzing all international wars since 1700, this widely quoted work solves the riddle of why some wars are long and some are short, and demonstrates how the outbreak of peace offers insight into the outbreak of war. Proving that war and peace are alternating phases of a relationship between rival nations, it offers a crucial, new understanding of international armed conflict.
