The Pun Also Rises: How the Humble Pun Revolutionized Language, Changed History, and Made Wordplay More Than Some Antics By John Pollack

A funny, erudite, and provocative exploration of puns, the people who make them, and this derided wordplay's remarkable impact on human history.

In *The Pun Also Rises*, John Pollack—a former World Pun Champion and presidential speechwriter for Bill Clinton—explains why puns matter: They revolutionized language and played a pivotal role in making the modern world possible. Skillfully weaving together stories and evidence from history, brain science, pop culture, literature, anthropology, and humor, *The Pun Also Rises* is an authoritative yet playful exploration of puns.

With an engaging narrative, this book answers fundamental questions: Just what are puns? Why do people make them? How did punning impact the development of human language, and how did that drive creativity and progress? And why, after centuries of decline, does the pun still matter?

At once entertaining and educational, this engaging book builds a compelling case for the powerful and enduring role of puns in human discourse and innovation, and why they'll always be more than just some antics.

Editorial Review

Review

"A compelling exegesis on what puns are and why they matter." — *The Los Angeles Times*

"A fun, cogent argument in favor of a dubious, often-damned art." — *Kirkus Reviews*

"He tells us, with a clarity unusual for the subject, how the mind works..." — **P.J. O'Rourke**, *The New York Times Book Review*

"The best books on language are the ones that encourage us to reexamine what we think we know, and 'The Pun Also Rises' does exactly that." — *Boston Globe*

"Whether you are practicing punster, interested in language or just hungry to learn something on the beach this summer as you lie on the sand-which-is there (see what happens when you talk to this guy?), Pollack's book is fun and informative." — *Detroit Free Press*

About the Author

John Pollack, former presidential speechwriter, won the 1995 O. Henry World Championship Pun-Off. His previous books include *Cork Boat* and *The World on a String: How to Become a Freelance Foreign Correspondent*. He lives in New York City.

Users Review

From reader reviews:

Jimmy Putnam:

Reading a publication tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A great deal of author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the guides. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their expertise in writing, they also doing some investigation before they write for their book. One of them is this *The Pun Also Rises: How the Humble Pun Revolutionized Language, Changed History, and Made Wordplay More Than Some Antics*.

Betty Perez:

Precisely why? Because this *The Pun Also Rises: How the Humble Pun Revolutionized Language, Changed History, and Made Wordplay More Than Some Antics* is an unordinary book that the inside of the book waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book close to it was fantastic author who have write the book in such amazing way makes the content on the inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for

not hesitating having this ever again or you going to regret it. This unique book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Catherine Gates:
