## Theodore Rex By Edmund Morris

The most eagerly awaited presidential biography in years, **Theodore Rex** is a sequel to Edmund Morris's classic bestseller **The Rise of Theodore Roosevelt**. It begins by following the new President (still the youngest in American history) as he comes down from Mount Marcy, New York, to take his emergency oath of office in Buffalo, one hundred years ago.

A detailed prologue describes TR's assumption of power and journey to Washington, with the assassinated President McKinley riding behind him like a ghost of the nineteenth century. (Trains rumble throughout this irresistibly moving narrative, as TR crosses and recrosses the nation.) Traveling south through a succession of haunting landscapes, TR encounters harbingers of all the major issues of the new century—Imperialism, Industrialism, Conservation, Immigration, Labor, Race—plus the overall challenge that intimidated McKinley: how to harness America's new power as the world's richest nation.

**Theodore Rex** (the title is taken from a quip by Henry James) tells the story of the following seven and a half years—years in which TR entertains, infuriates, amuses, strong-arms, and seduces the body politic into a state of almost total subservience to his will. It is not always a pretty story: one of the revelations here is that TR was hated and feared by a substantial minority of his fellow citizens. Wall Street, the white South, Western lumber barons, even his own Republican leadership in Congress strive to harness his steadily increasing power.

Within weeks of arrival in Washington, TR causes a nationwide sensation by becoming the first President to invite a black man to dinner in the White House. Next, he launches his famous prosecution of the Northern Securities Company, and follows up with landmark antitrust legislation. He liberates Cuba, determines the route of the Panama Canal, mediates the great Anthracite Strike, and resolves the Venezuela Crisis of 1902-1903 with such masterful secrecy that the world at large is unaware how near the United States and Germany have come to war.

During an epic national tour in the spring of 1903, TR's conservation philosophy (his single greatest gift to posterity) comes into full flower. He also bestows on countless Americans the richness of a personality without parallel—evangelical and passionate, yet lusty and funny; adroitly political, winningly natural, intellectually overwhelming. The most famous father of his time, he is adored by

his six children (although beautiful, willful “Princess” Alice rebelled against him) and accepted as an honorary member of the White House Gang of seditious small boys.

**Theodore Rex**, full of cinematic detail, moves with the exhilarating pace of a novel, yet it rides on a granite base of scholarship. TR’s own voice is constantly heard, as the President was a gifted letter writer and raconteur. Also heard are the many witticisms, sometimes mocking, yet always affectionate, of such Roosevelt intimates as Henry Adams, John Hay, and Elihu Root. (“Theodore is never sober,” said Adams, “only he is drunk with himself and not with rum.”)

TR’s speed of thought and action, and his total command of all aspects of presidential leadership, from bureaucratic subterfuge to manipulation of the press, make him all but invincible in 1904, when he wins a second term by a historic landslide. Surprisingly, this victory transforms him from a patrician conservative to a progressive, responsible between 1905 and 1908 for a raft of enlightened legislation, including the Pure Food and Employer Liability acts. Even more surprising, to critics who have caricatured TR as a swinger of the Big Stick, is his emergence as a diplomat. He wins the Nobel Peace Prize for bringing about an end to the Russo-Japanese War in 1905.

Interspersed with many stories of Rooseveltian triumphs are some bitter episodes—notably a devastating lynching—that remind us of America’s deep prejudices and fears. **Theodore Rex** does not attempt to justify TR’s notorious action following the Brownsville Incident of 1906—his worst mistake as President—but neither does this resolutely honest biography indulge in the easy wisdom of hindsight. It is written throughout in real time, reflecting the world as TR saw it. By the final chapter, as the great “Teddy” prepares to quit the White House in 1909, it will be a hard-hearted reader who does not share the sentiment of Henry Adams: “The old house will seem dull and sad when my Theodore has gone.”

### Editorial Review

### Users Review

#### From reader reviews:

##### Arlene Oliver:

What do you think about book? It is just for students as they are still students or that for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has different personality and hobby for each and every other. Don't to be forced someone or something that they don't would like do that. You must know how great and also important the book Theodore Rex. All type of book is it possible to see on many options. You can look for the internet resources or other social media.

##### Randolph Dilworth:

Reading a publication tends to be new life style on this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A lot of author can inspire their own reader with their story or their experience. Not only the storyplot that share in the ebooks. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some research before they write with their book. One of them is this Theodore Rex.

##### James Newman:

A lot of people always spent their very own free time to vacation as well as go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. In order to try to find a new activity that's look different you can read a book. It is really fun for you personally. If you enjoy the book you read you can spent 24 hours a day to reading a reserve. The book Theodore Rex it is extremely good to read. There are a lot of individuals who recommended this book. These people were enjoying reading this book. In the event you did not have enough space bringing this book you can buy often the e-book. You can m0ore easily to read this book out of your smart phone. The price is not too expensive but this book provides high quality.

##### Pamelia Thompson:

This Theodore Rex is great reserve for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This book reveal it information accurately using great manage word or we can point out no rambling sentences included. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward

sentences but hard core information with wonderful delivering sentences. Having Theodore Rex in your hand like finding the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world in ten or fifteen small right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. active do you still doubt this?
