A God wink is a coincidence that reminds us that we are connected to a higher power that can guide us to achieve things with our gifts. It is a signal we can look for, plot, and understand, and it can help us tune in to a more spiritual way of operating in the world. The stories are persuasive and the author, an acclaimed TV producer, pulls out all the emotional stops to deliver them with enthusiasm and wonder. Mental and written exercises throughout the program are appropriate to the author's purpose, though the stories by themselves will grab your attention whether you plug into the exercises or not. A captivating experience for your own enjoyment or for someone you know who needs a lift. T.W. © AudioFile 2001, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*
