A Study in Charlotte (Charlotte Holmes Novel) By Brittany Cavallaro

The first book in a witty, suspenseful new trilogy about a brilliant new crime-solving duo: the teen descendants of Sherlock Holmes and John Watson. This clever page-turner will appeal to fans of Maureen Johnson and Ally Carter.

Jamie Watson has always been intrigued by Charlotte Holmes; after all, their great-great-great-grandfathers are one of the most infamous pairs in history. But the Holmes family has always been odd, and Charlotte is no exception. She's inherited Sherlock's volatility and some of his vices—and when Jamie and Charlotte end up at the same Connecticut boarding school, Charlotte makes it clear she's not looking for friends.

But when a student they both have a history with dies under suspicious circumstances, ripped straight from the most terrifying of the Sherlock Holmes stories, Jamie can no longer afford to keep his distance. Danger is mounting and nowhere is safe—and the only people they can trust are each other.

Editorial Review

From School Library Journal

Gr 9 Up—What if Sherlock Holmes's great-great-great-granddaughter went to boarding school with Dr. Watson's great-great-great-grandson? They might strike up a friendship as sophomores. Charlotte Holmes and James Watson do, at the money-conscious Sherringford, a prep school in Connecticut. Holmes (as she is known) has an analytical, antisocial bent and a bit of a drug problem. Watson, who narrates, has a short fuse and quickly becomes a suspect in a date rapist's murder. Together they begin an investigation, putting their inductive and deductive skills to the test. A familiarity with classic Arthur Conan Doyle tales is helpful, though most references are explained in the story. Both Holmes and Watson are prickly teenagers in a plot that includes poison, explosions, Moriarty's descendant, and a deadly virus. The case wraps up neatly, with the indication that Holmes and Watson will team up again in the near future. This novel presents a dark view of boarding school, with some drinking and other risqué behavior. Suggest to fans of Maggie Stiefvater's "Raven Cycle" series (Scholastic). Slightly younger readers might try Colleen Gleason's "Stoker and Holmes" series (Chronicle), featuring Holmes's niece and Bram Stoker's sister. VERDICT An additional selection for most school libraries.—Maggie Knapp, Trinity Valley Sch., Fort Worth, TX

Review

“A thrilling twist on a classic. Readers will be pulled in by both the riveting mystery and Charlotte Holmes, a brilliant heroine with secrets of her own.” (Maureen Johnson, New York Times bestselling author of the Shades of London series)

“Cavallaro’s crackling dialogue, well-drawn characters, and complicated relationships make this feel like a seamless and sharp renewal of Doyle’s series. An explosive mystery featuring a dynamic duo.” (Kirkus Reviews (starred))

“Debut author Cavallaro brings Arthur Conan Doyle’s sleuths (or their distant relatives, anyway) into the 21st century, casting Holmes as a brilliant young woman and Watson, who narrates, as her admirer and accomplice...An involving murder mystery, and a promising start to a planned trilogy.” (Publishers Weekly)

“Fans of television’s Elementary and Sherlock will avidly devour this book...a joyous excuse to watch one of the literary world’s most beloved pairings come together.” (Booklist)

From the Back Cover

The last thing Jamie Watson wants is a rugby scholarship to Sherringford, a Connecticut prep school just an hour away from his estranged father. But that’s not the only complication: Sherringford is also home to Charlotte Holmes, the famous detective’s great-great-great-granddaughter, who has inherited not only Sherlock’s genius but also his volatile temperament. From everything Jamie has heard about Charlotte, it seems safer to admire her from afar.

From the moment they meet, there’s a tense energy between them, and they seem more destined to be rivals than anything else. But when a Sherringford student dies under suspicious circumstances, ripped straight from the most terrifying of the Sherlock Holmes stories, Jamie can no longer afford to keep his distance. Jamie and Charlotte are being framed for murder, and only Charlotte can clear their names. But danger is mounting and nowhere is safe—and the only people they can trust are each other.

Equal parts tender, thrilling, and hilarious,

A Study in Charlotte is the first in a trilogy brimming with wit and edge-of-the-seat suspense.

Praise for *A Study in Charlotte*

“A thrilling twist on a classic. Readers will be pulled in by both the riveting mystery and Charlotte Holmes, a brilliant heroine with secrets of her own.”—??Maureen Johnson, *New York Times* bestselling author of the *Shades of London* series

“Cavallaro’s crackling dialogue, well-drawn characters, and complicated relationships make this feel like a seamless and sharp renewal of Doyle’s series. An explosive mystery featuring a dynamic duo.”—*Kirkus Reviews* (starred review)
